FEATURE DEMO · THE ALIGN: REGISTER

stats, actors and kpi now follow it.

Short rows and tiles hug their text and sit where the deck's `align:` says. `fill` brings back the old full-height look.

Three stats sit in the middle of the stage.

4	8	5
STATS PER ROW	WORDS, SOFT	THE SOFT CEILING

stats · centered, as before. align: top, spread and fill now apply to it too.

The same three stats, set high.
