

FEATURE DEMO · THE CARDS: REGISTER

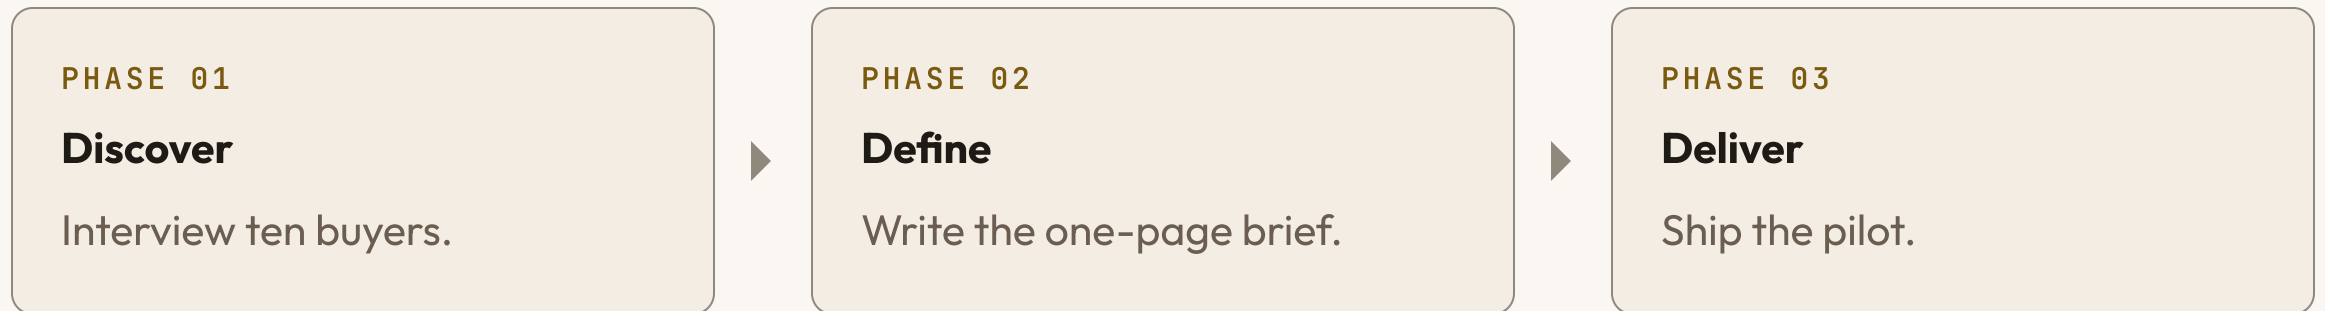

Sparse cards now size to their text.

list-steps, compare-prose and cards-stack horizontal join the register.

The default row now centers short steps.

Phase cards stop carrying empty space.

One slide can still ask for the old stretch.

STEP 01

Draft

One clause.

STEP 02

Review

One clause.

STEP 03

Ship

One clause.

Two short panes sit at the height of their text.

BUILD IN HOUSE

Full control, slower start.

BUY A PLATFORM

Fast start, less control.

The chosen variant centers too.

KEEP THE OLD STACK

No migration cost.

MOVE TO THE NEW STACK

One migration, lower run cost.

A horizontal stack reads the register.

Speed

Builds in seconds.

Safety

Every gate runs.

Scale

One engine, every surface.

A per-slide override pins the row to the top.

Speed

Builds in seconds.

Safety

Every gate runs.

Scale

One engine, every surface.
