The running header steps aside at hero.

Header

The deck's `header:` is a band, so `claim-hero` drops it with the footer.

Heading

Nothing prints over the heading, and no `_header: ''` is needed.

Page number

The page number stays, as before.

A standard slide keeps its header.

Header

Without `claim-hero` the running header still shows above the heading.

Footer

The footer band is unchanged.

Page number

Unchanged.
