Five marks you can now see, and an orbit that leaves the page number alone.

`mark-brackets`, `mark-threads`, `mark-ticks`, `mark-seeds` and `mark-asterisks` are larger or heavier. The paint stays at 28%.

mark-brackets

Edge

Two heavier brackets in the right margin.

Paint

28% accent, unchanged.

Slot

Right margin, clear of content.

mark-threads

Stroke

Two px, was one.

Slot

Top-right header band.

Dark

Reads against the navy ground.

mark-ticks

Length

About 31 px, was 18.

Weight

About 2.8 px, was 1.9.

Slot

Right margin.

mark-seeds

Size

Larger specks, all at the 28% ceiling.

Slot

The four corners.

Mode

Reads in light. Dark mode still hides it (see the followup).

mark-asterisks

Size

About a third larger, heavier strokes.

Slot

Top-right and bottom-left.

Read

Asterisks, not dots.

mark-orbit

Position

Moved left, out of the page number's column.

Slot

Bottom-right.

Paint

Unchanged.
