Chart · hub-spoke · four personas

One center, its satellites, and what flows between them.

A heavy neutral hub, solid satellites and constant-width connectors. Satellites stay neutral unless you group them, a status pill marks only its own spoke, and nothing scales until you ask with `sized` or `flow-out`.

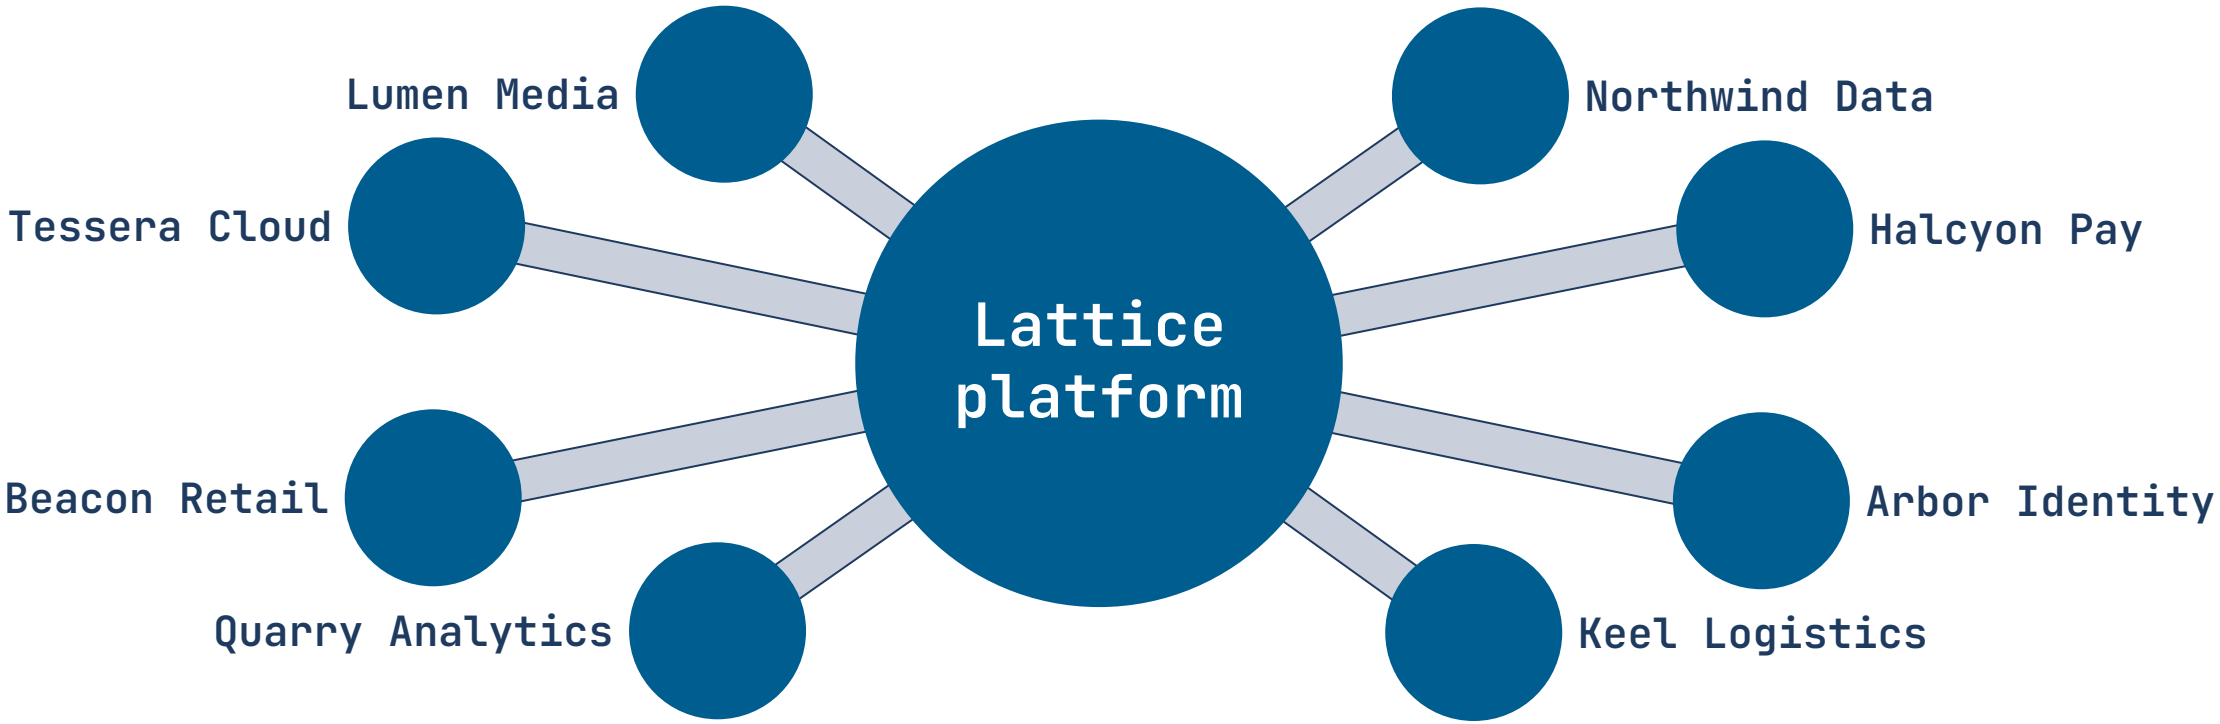

Transformation program · Workstream status · Q3

Two of six workstreams are off track.

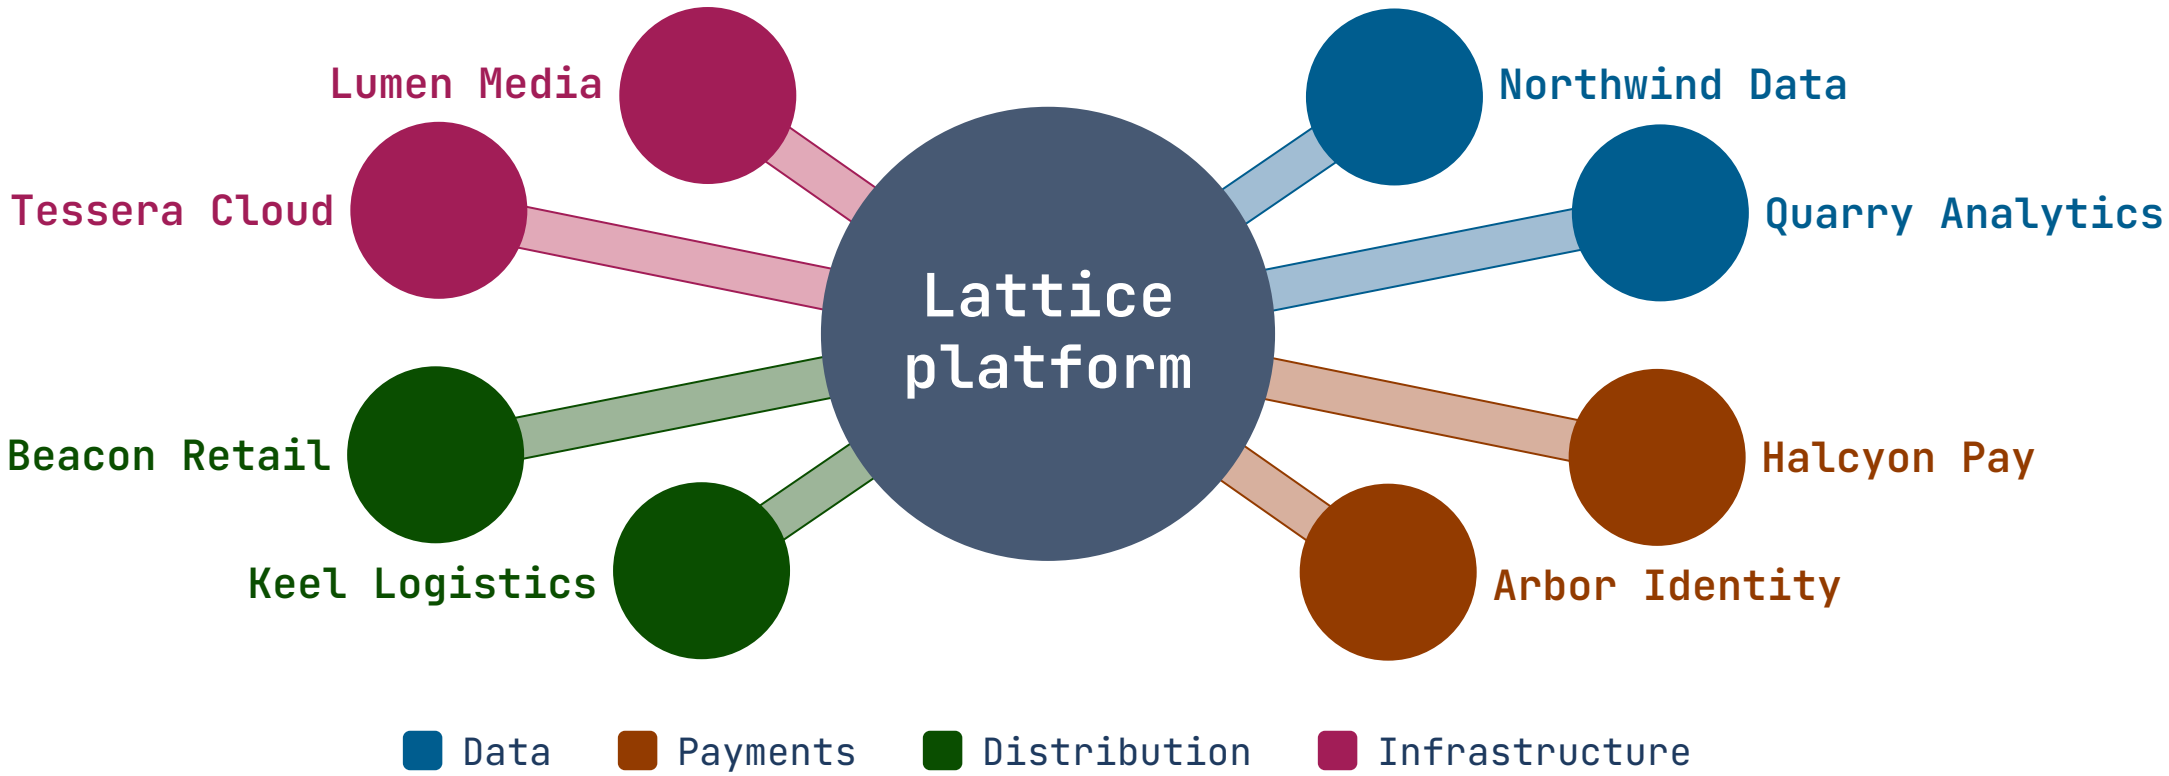

Partner ecosystem · 2026

Eight partners now build on the platform.

Partner ecosystem · By capability

Eight partners cover four capabilities, two apiece.

Partner ecosystem · By capability · marks: tone

Under a tone finish, the four capabilities read as four shades of one hue.

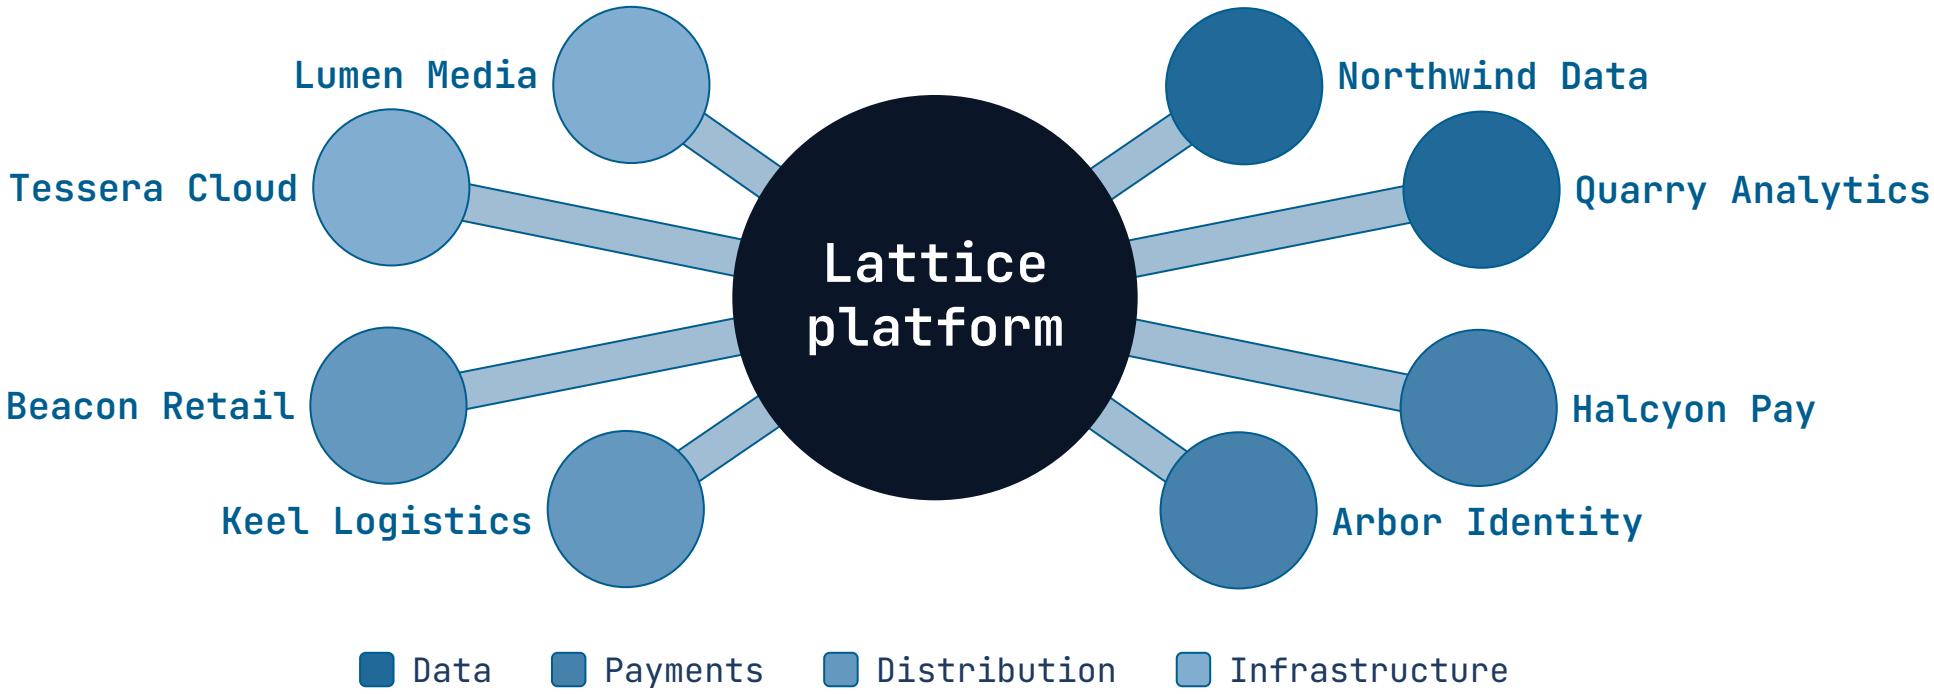

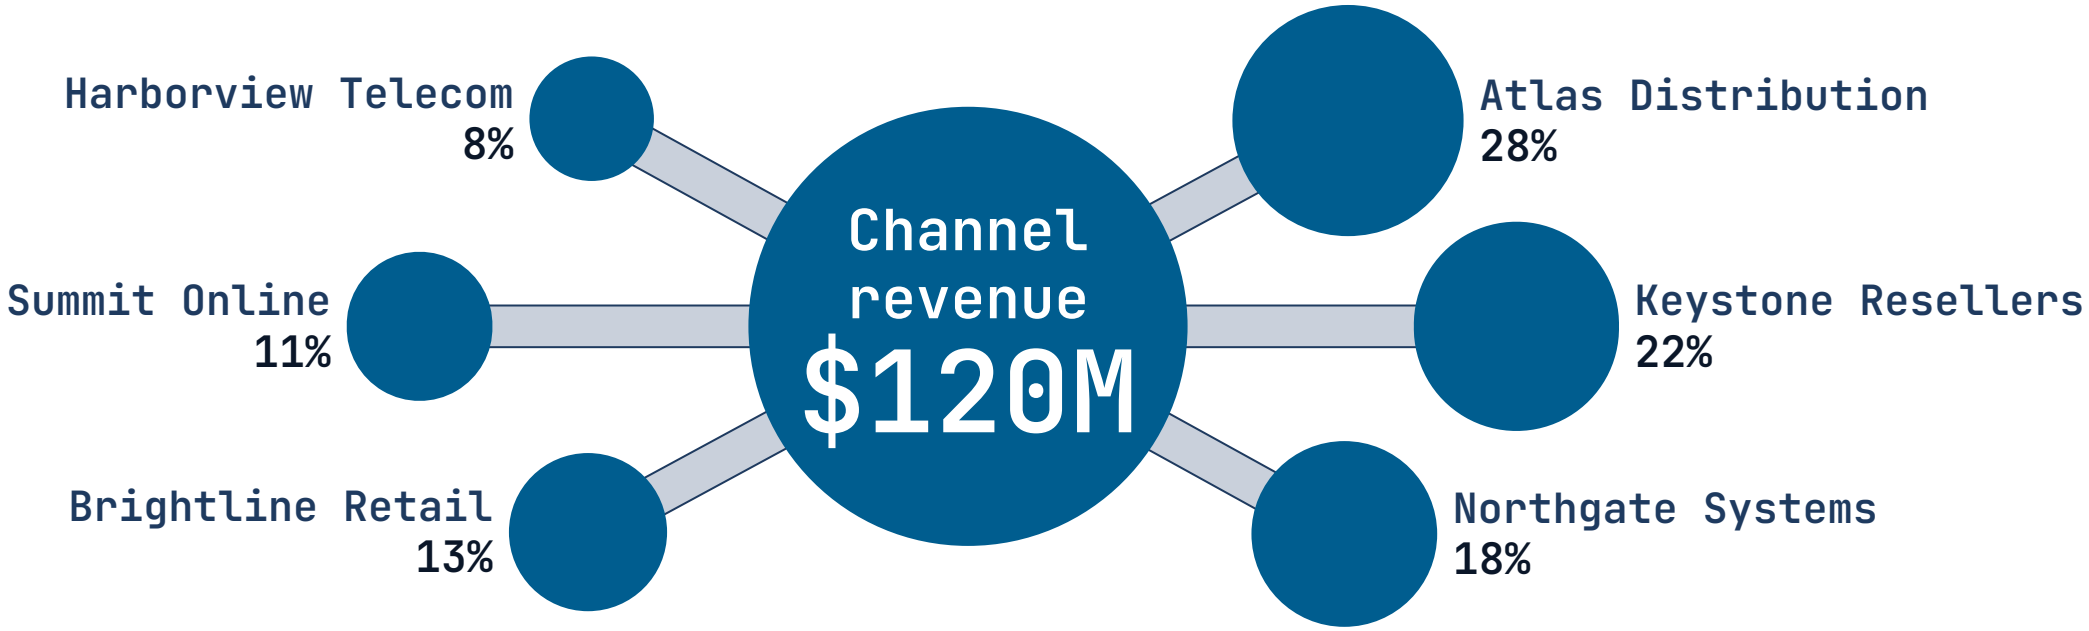

Chart finish · tone: groups, key, connectors and names in one hue; the hub stays the heaviest mark

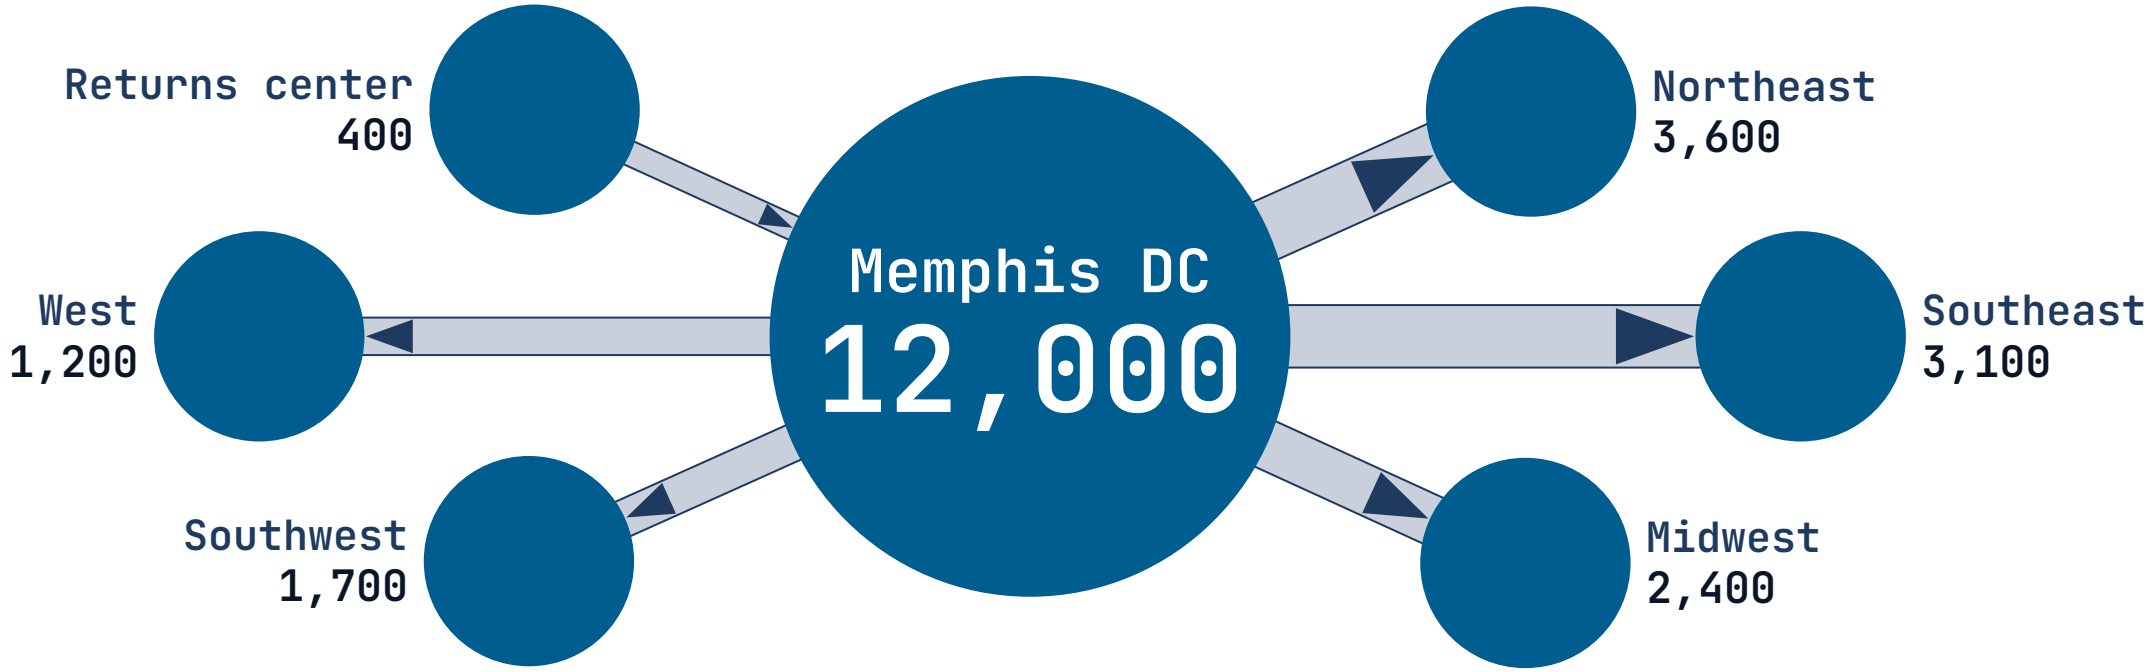

FY2026 · Partner channel revenue · share of $120M

Two partners carry half of channel revenue.

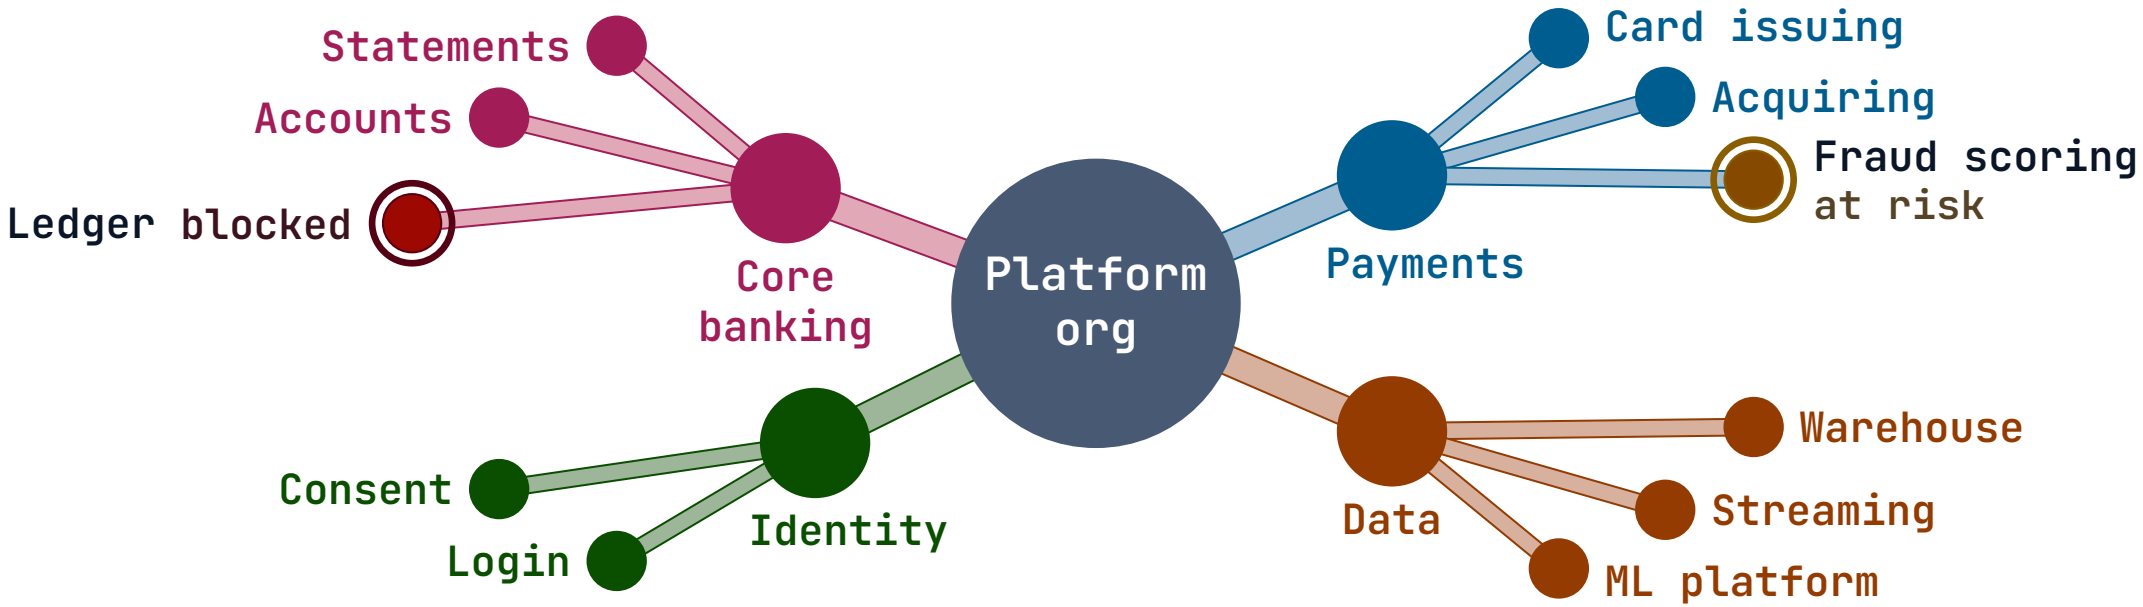

Memphis distribution center · Pallets per week

The Northeast and Southeast take over half of outbound volume.

Platform organization · Service ownership · 2026

Four platform teams own eleven services; two are in trouble.

Regional sales · Bookings this quarter

Twelve regions booked $48M; the top three brought in $20M.

Twelve satellites, with values — the cap
