Lattice · Video

Companion + Gallery — the two keepers, refined.

Onboarding that sticks — watch a customer do it live.

Ninety seconds, unscripted: a first-day admin goes from signup to a published board deck without touching support.

Ree A., Head of Ops at Northwind

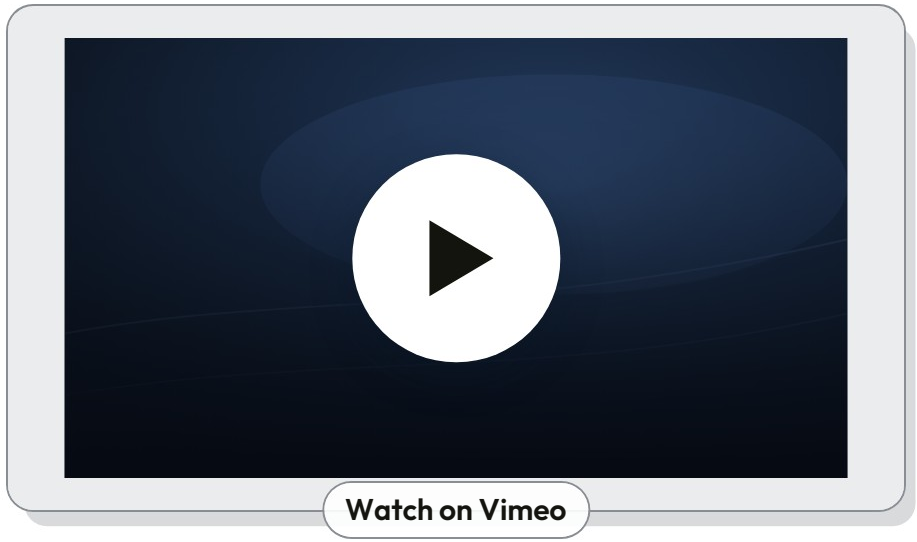

The launch film, without the QR.

Two minutes on why the category needed rebuilding from the data layer up — the poster is a plain link when you don't opt into `qr`.

The 2-minute director's cut

Exhibit 1 — the onboarding flow, end to end.
