

CHART • STATUS VOCABULARY

Status words agree

A status word colors the same way wherever the engine accepts it.

KANBAN · CAPITALS

A capitalized status now tints its card.

Capitals used to paint an untinted card.

A pilot bar now wears the pilot color.

Bar and pill both read informational; the bar used to stay on slot 1.

2026 Q1 .. 2026 Q4

Gantt spends the status word on the bar.

Gantt paints live as running work, apart from done.

SUBMISSION LIFECYCLE

A state chart puts it on the badge.

SLOPE · ENTITY STATUS

Slope colors the whole line.

Same word, same color.

*The pill keeps your spelling; the color
comes from the lowercase word.*
