Feature · the narration explain layer

A chart read aloud is not a chart explained.

Every picture-bound chart now opens with what its encoding means, and three of them say what their numbers are *for*. Listen with the captions on.

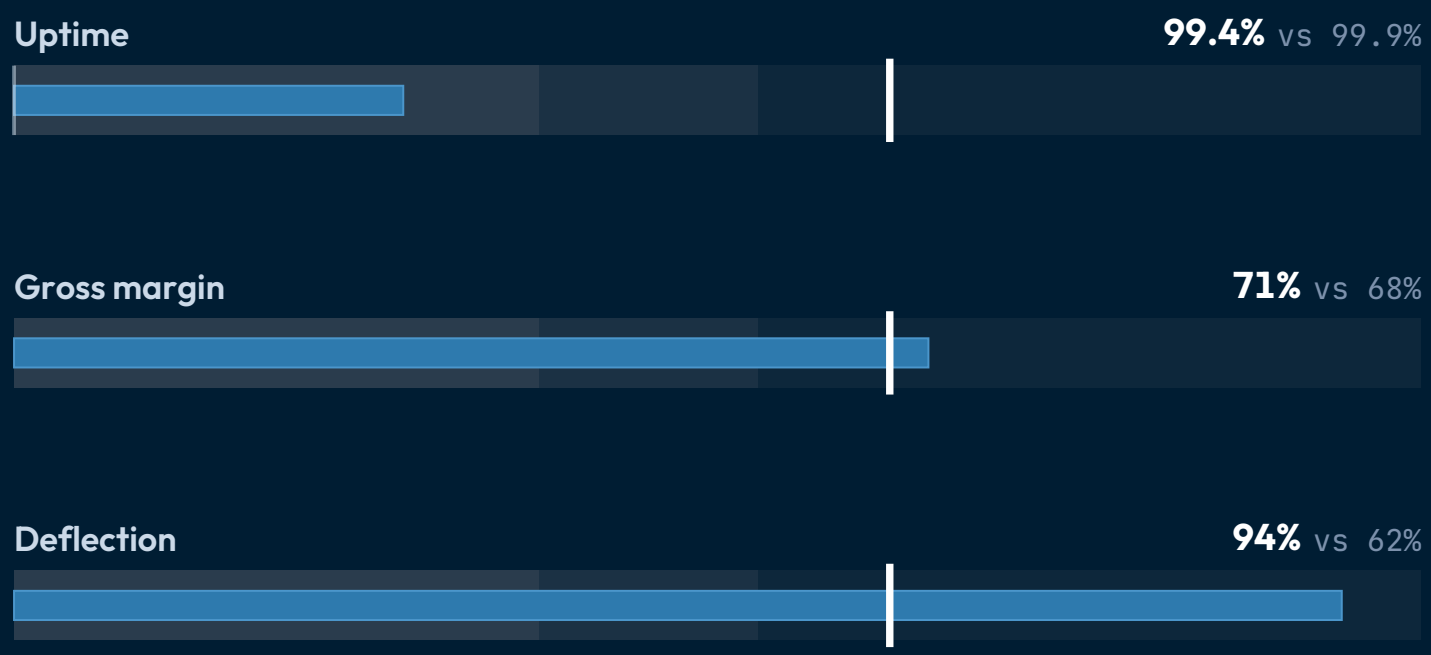

Q3 2026 · commercial plan

Are we on plan.

Service levels · the floor case

A high baseline hides a real miss.

What the team called out this quarter.

Submission lifecycle

The shape comes before the edges.

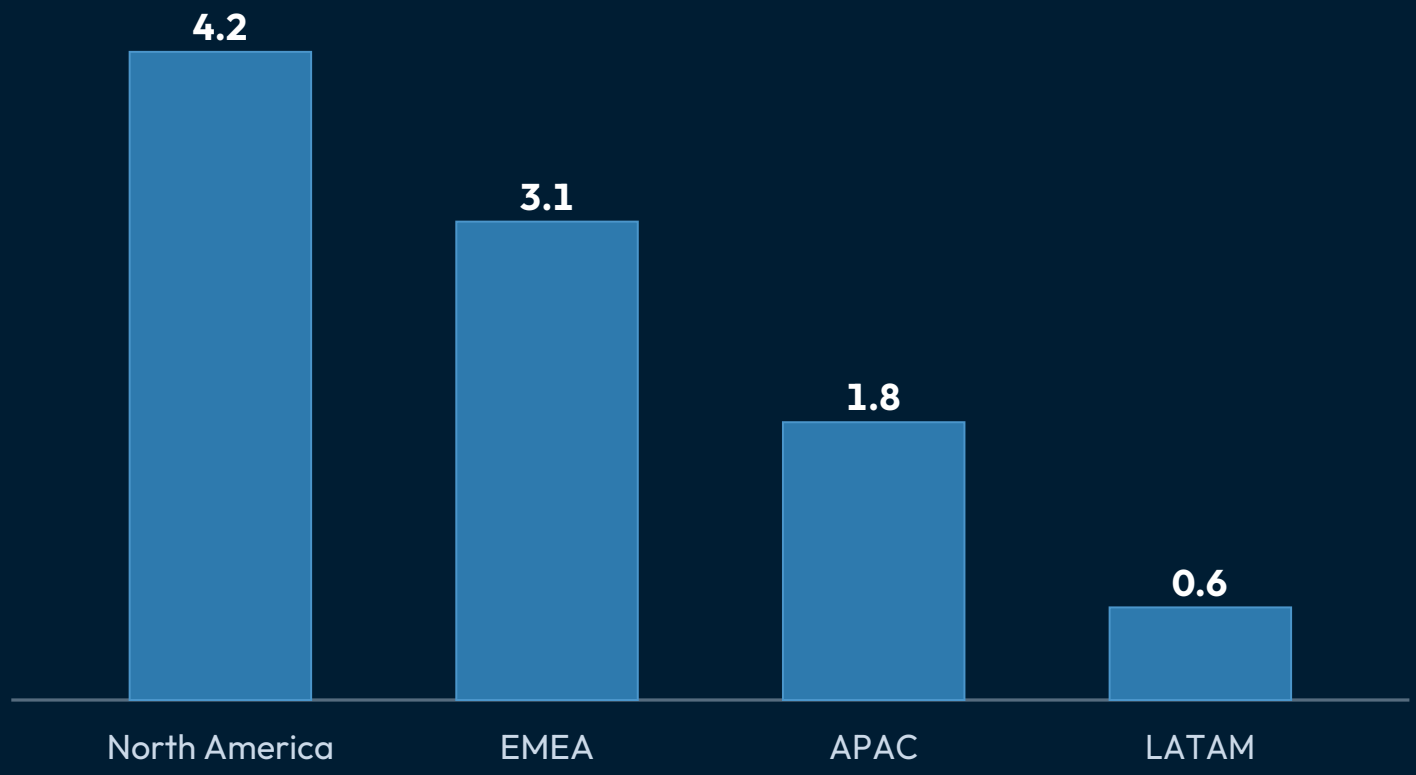

Three hazards nothing else names.

Revenue · FY26

The frame says what the bars measure.

The heading is still yours.

Narration owes the frame, the shape and the relation. The verdict on the slide is the author's, and it is not said twice.
