Charts · reading money

Money as global clients write it

A reinsurance deck carries `EUR 4.2M`, `4,2 Mio. €` and `USD 250mn`. Each of those used to stop the chart from drawing. Every slide here is written in one of them.

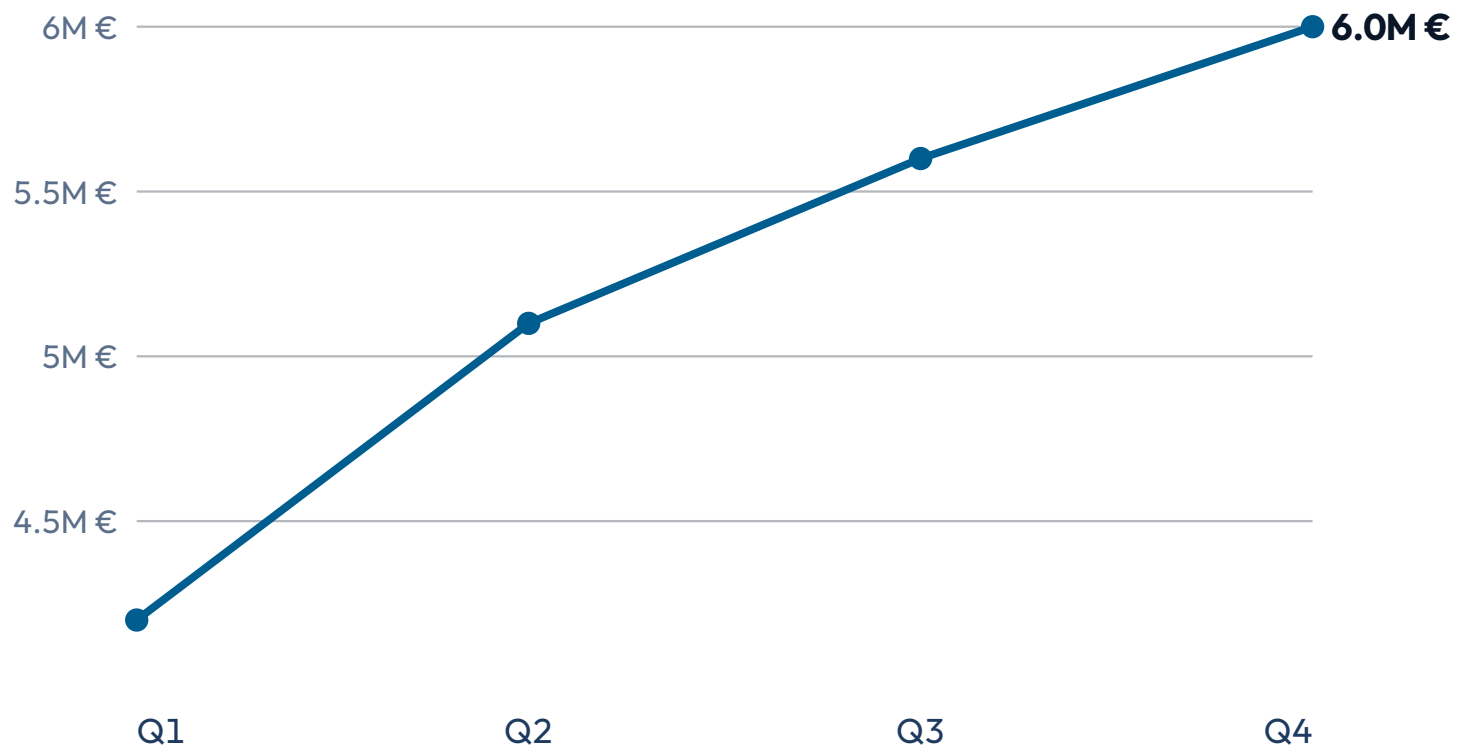

Gross written premium · ISO code first

EUR premium has grown every year since 2021.

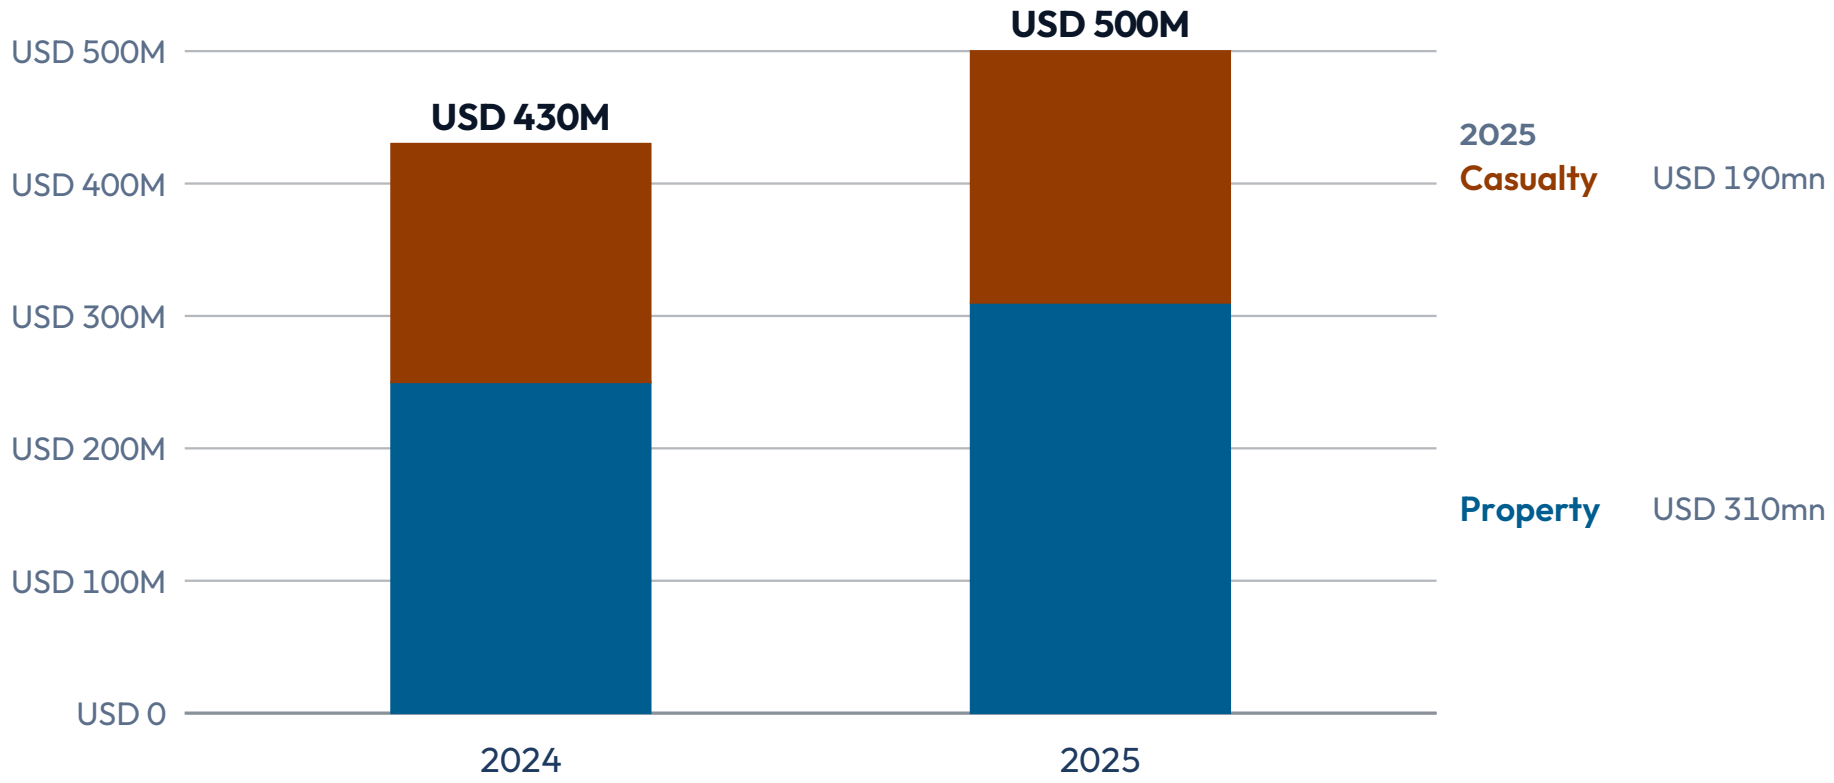

Ceded premium · currency after the number

Ceded premium climbed in every quarter.

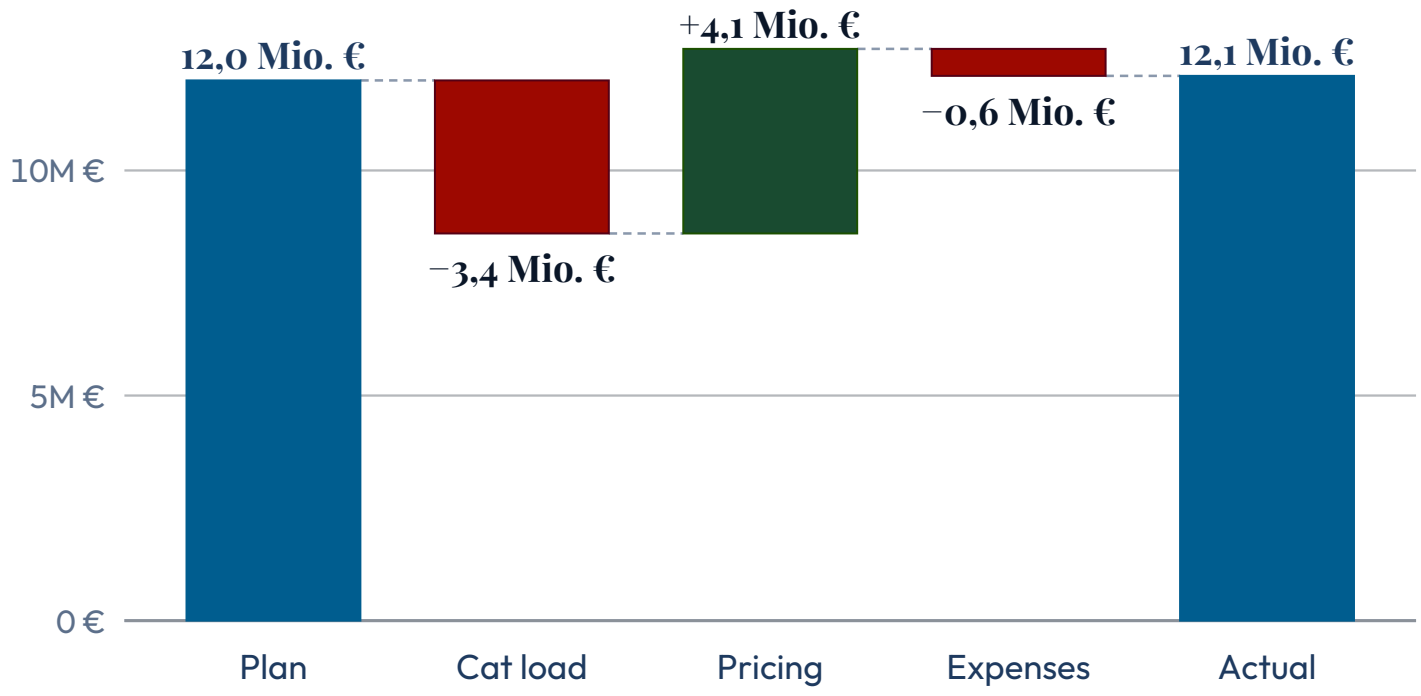

Limit purchased · Lloyd's style

Property limit grew faster than casualty.

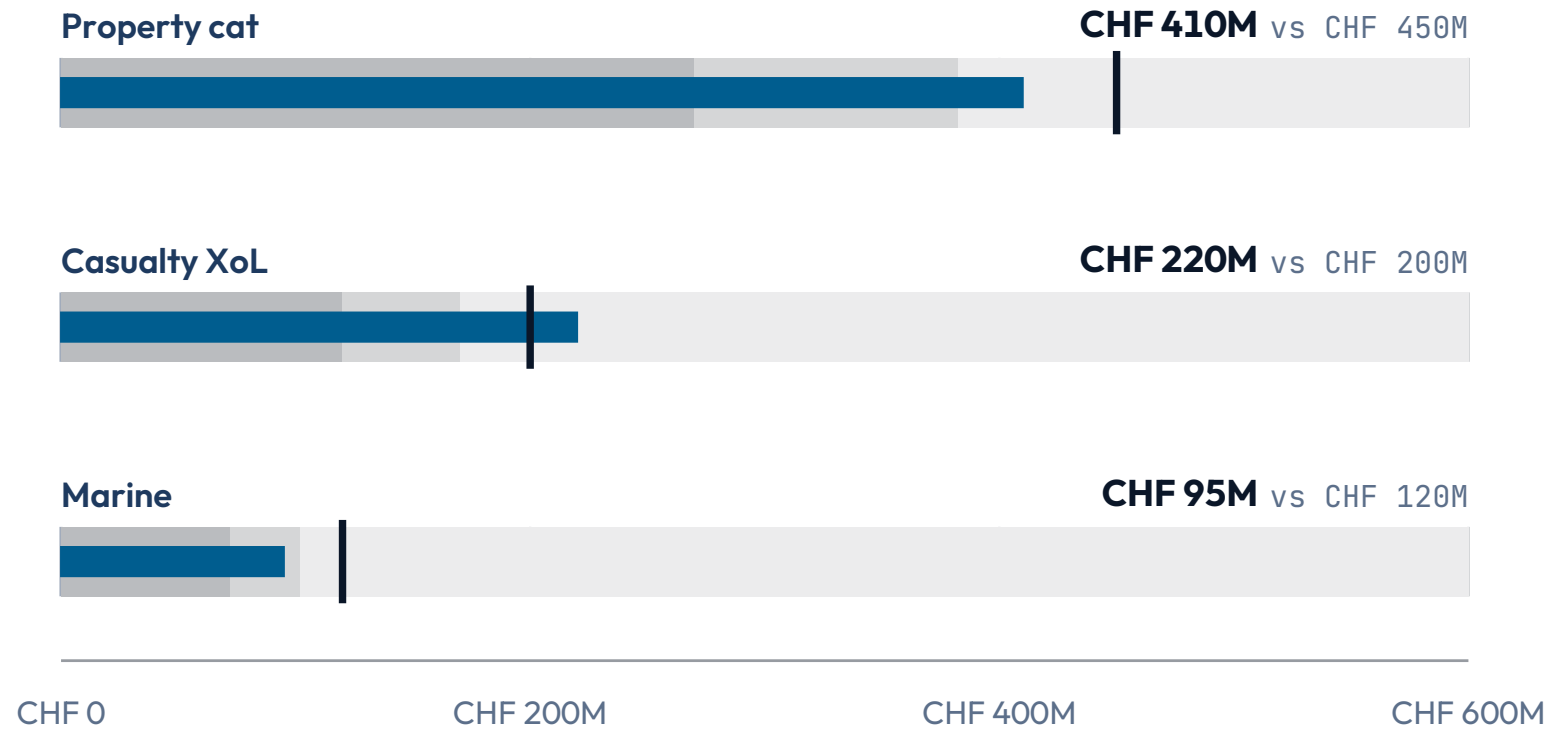

Ergebnis · German millions, decimal comma

Pricing gains outweighed the cat load.

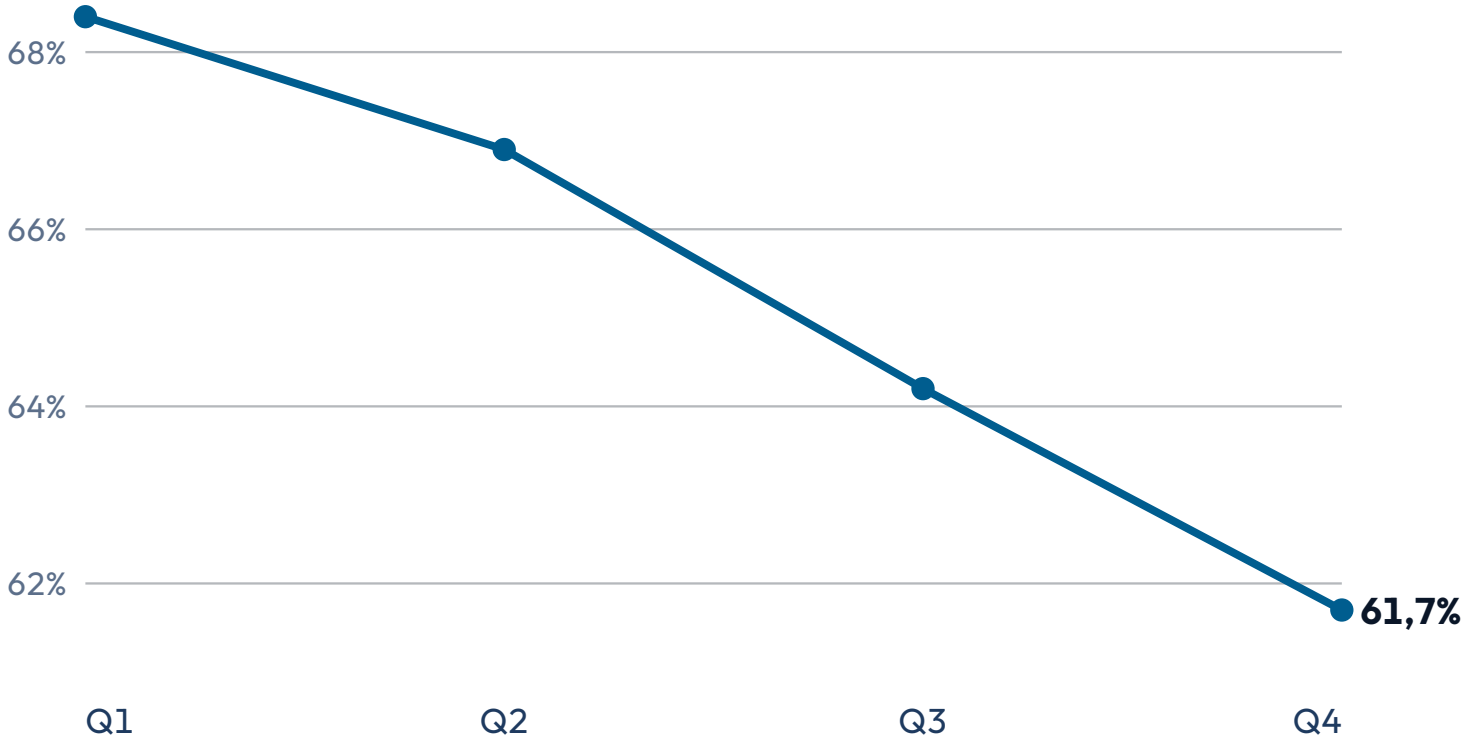

Treaty limits · actual against plan

Two programs bought less limit than planned.

Loss ratio · decimal comma

The loss ratio has eased for three quarters.

Currency codes · currency after · Mio · mn · decimal comma

Write the value the way your client reads it.
