Charts · marks

One line sets how every chart spends its color

Pigment, etch or tone, set once for the deck and overridden per slide. Say nothing and it is pigment.

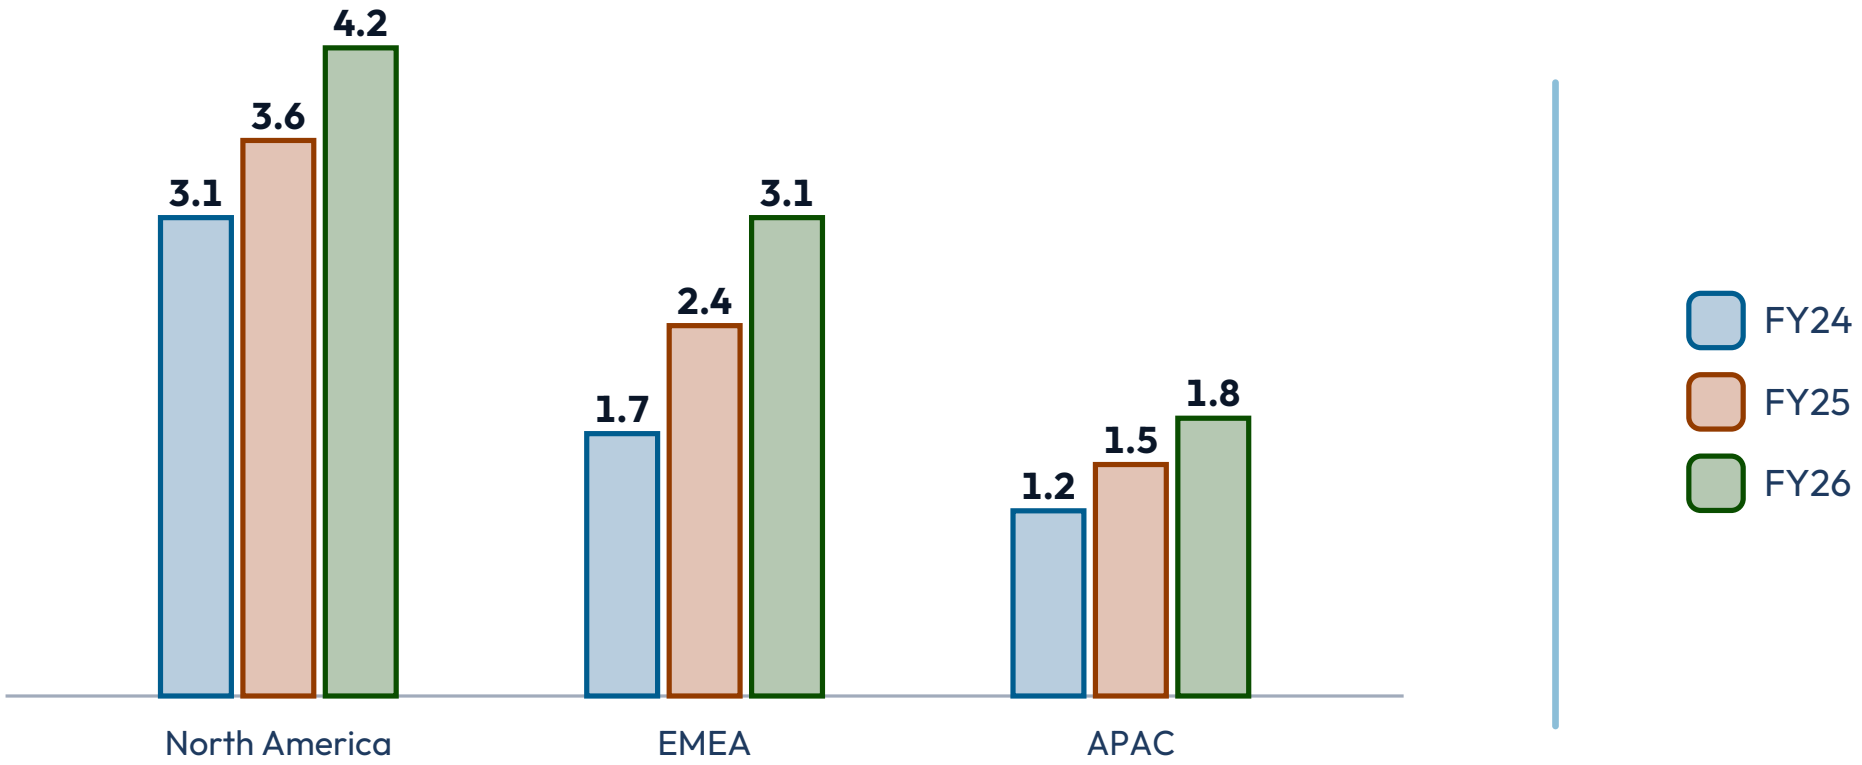

Pigment · identity in the body

Every region grew, and EMEA grew fastest.

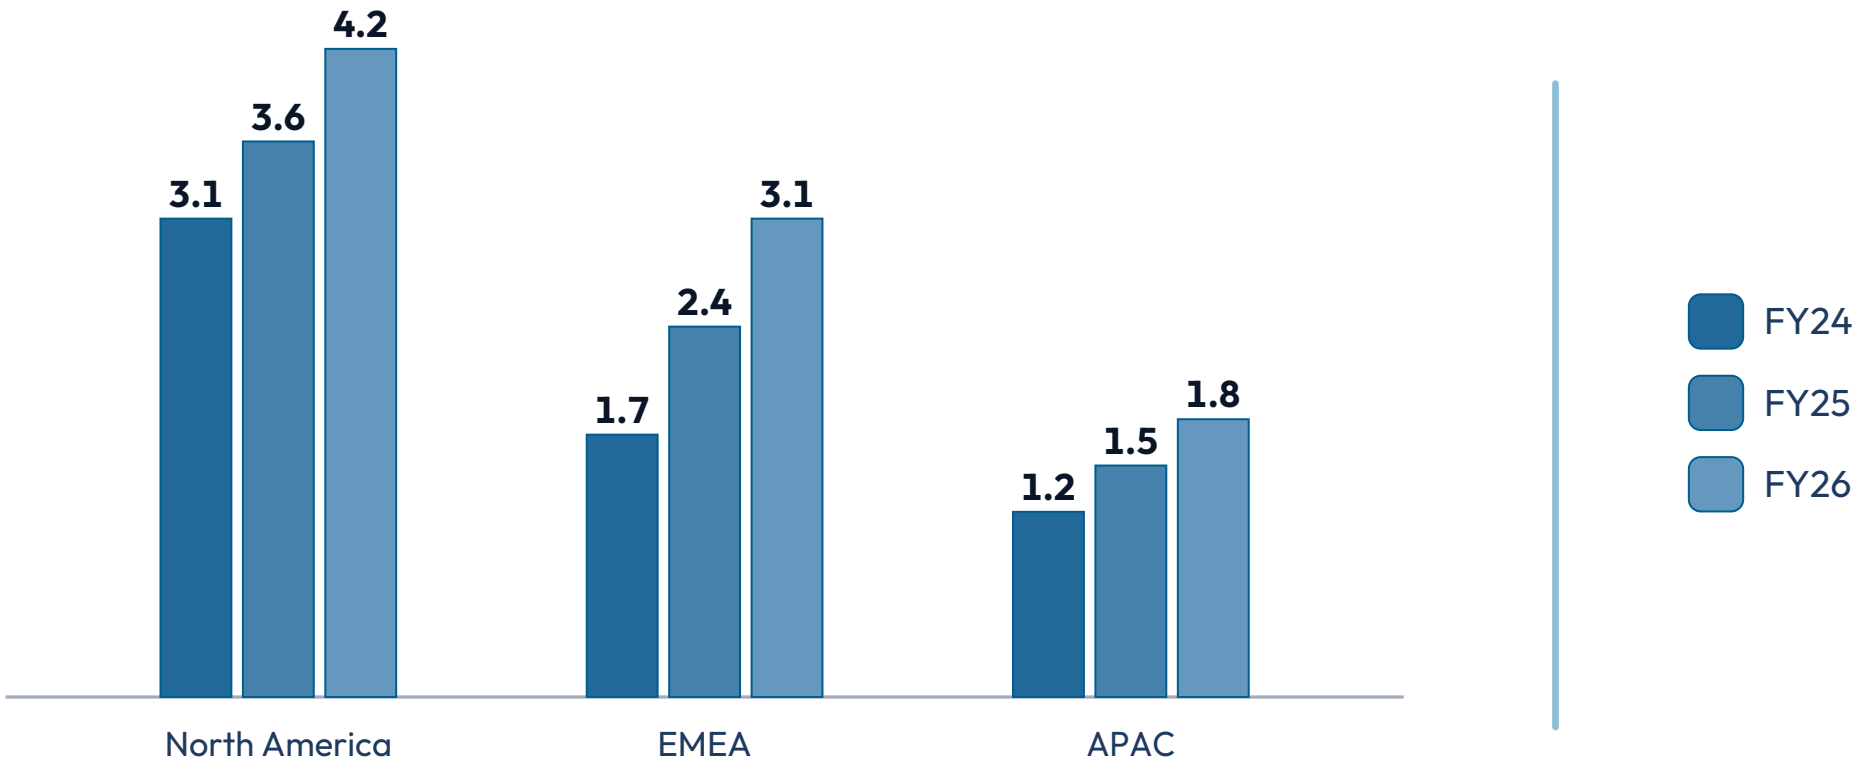

Etch · identity in the line

Every region grew, and EMEA grew fastest.

Tone · identity in value

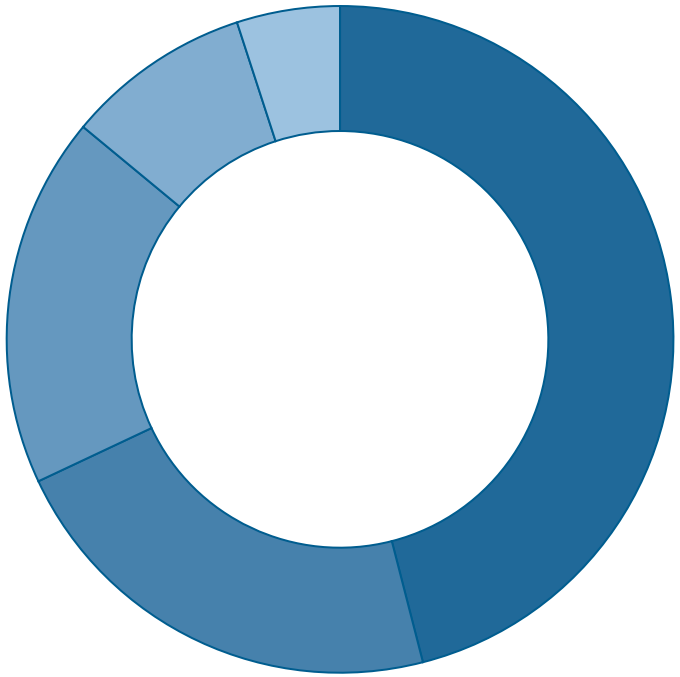

Every region grew, and EMEA grew fastest.

Two workstreams land the scoring model by Q4.

One ink: every bar is deep under white; a status carries its mark, an exception its ring

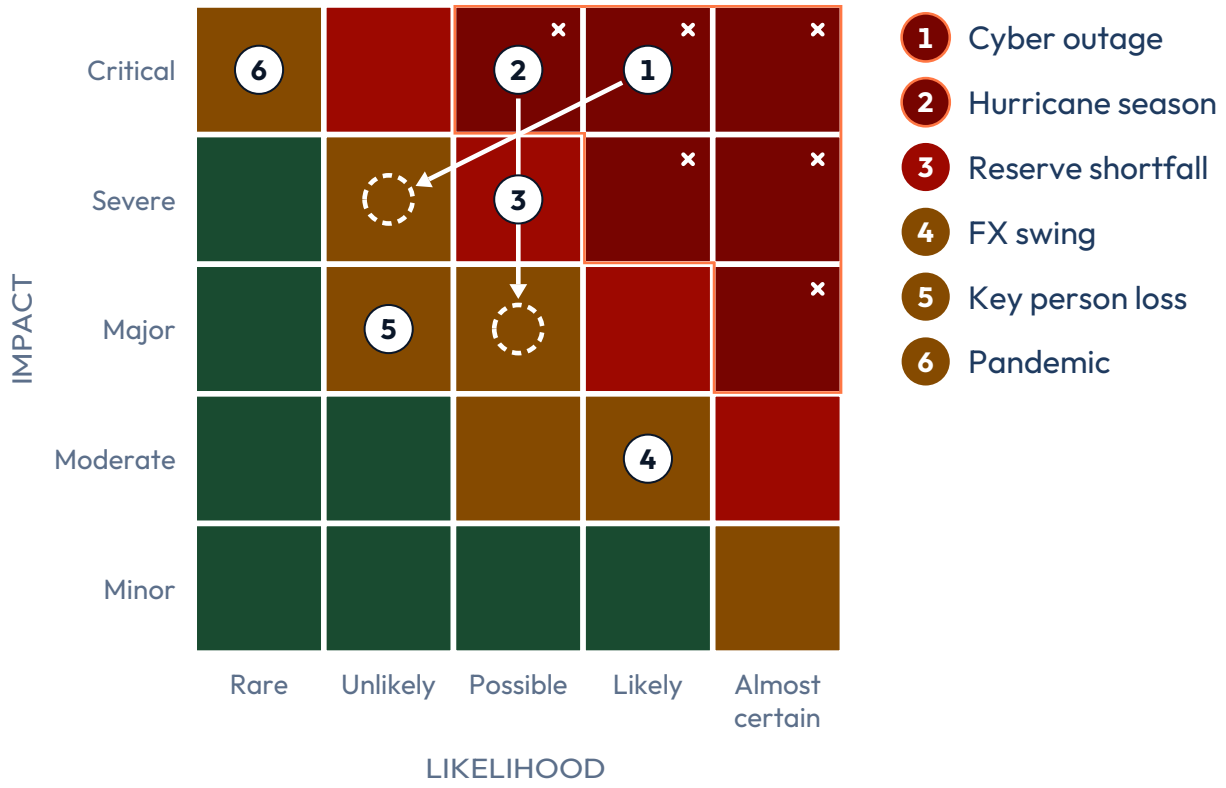

H1 2026 · readiness

Three of the four workstreams are on pace.

Enterprise risk register · Q4 2026

Cyber and hurricane risk sit in the red; both have a plan.

Every band is a status fill; critical is the deepest, ringed and marked as an exception

marks: pigment · etch · tone

Omit the key and every chart wears pigment.
