Panes · proof of concept

Two components, one slide

Pipeline review · Q3

EMEA carried the quarter while APAC held flat.

Regional pipeline, $M — list beside table, 35/65

EMEA closed three late deals

APAC renewals slipped

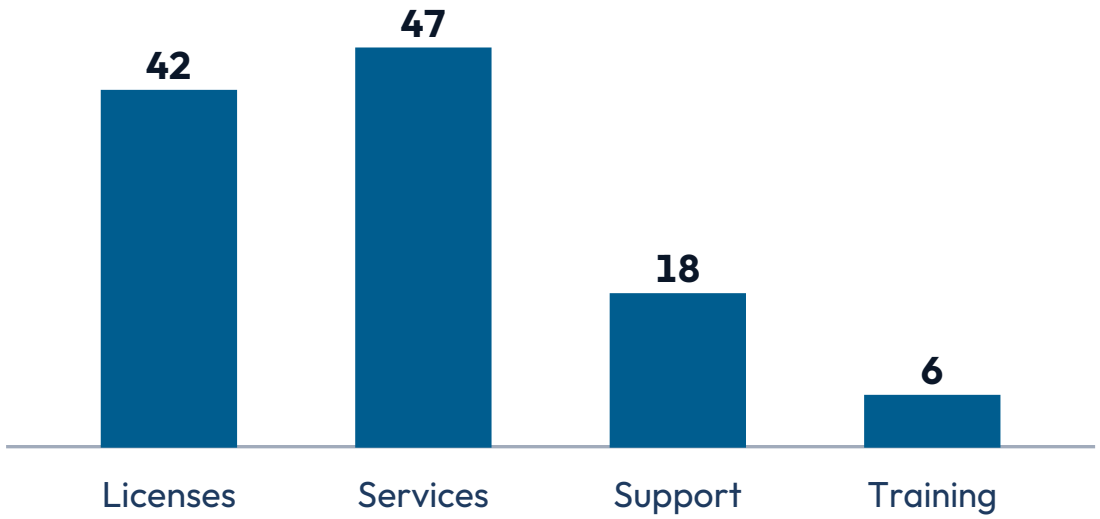

REGION	Q2	Q3	Δ
EMEA	4.1	5.3	+29%
APAC	2.8	2.8	0%
Americas	6.0	6.1	+2%

KEY INSIGHT

EMEA's three late deals are the whole quarter's growth.

Revenue mix · FY26

Services outgrew licenses for the first time.

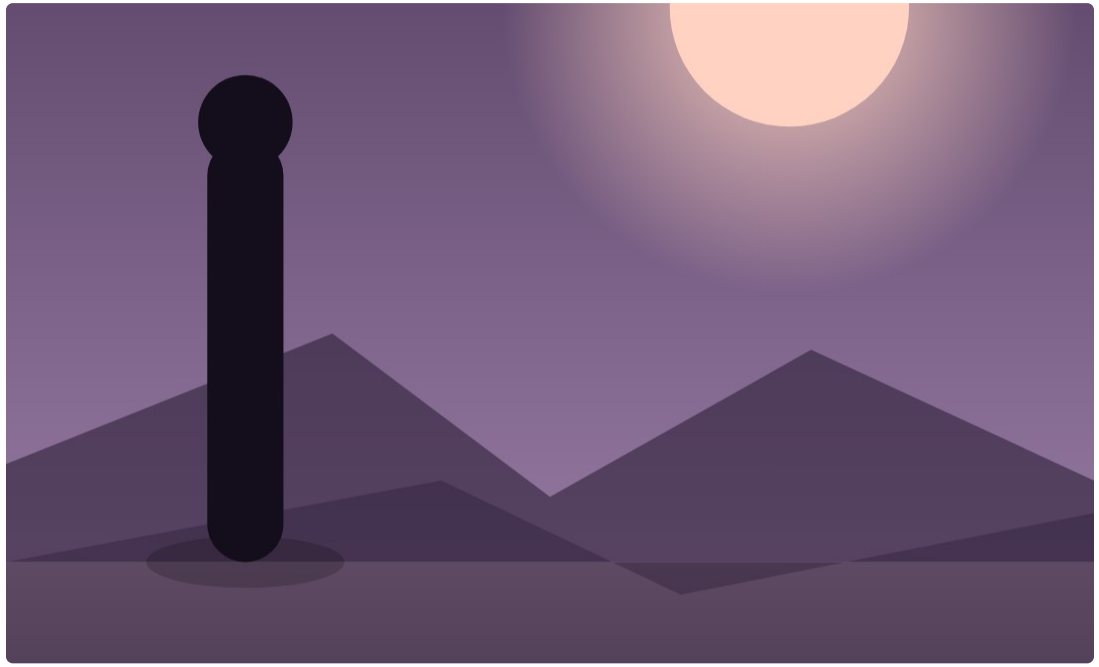

- Services crossed licenses in March
- Support margin is the steadiest line
- Fold training into services

KEY INSIGHT

The mix shift is structural, not seasonal.

Field report · Lisbon

The new office opened on time and under budget.

Forty desks, two studios and a roof terrace, fitted out in eleven weeks.

- 11 weeks from lease to open
- 6% under the fit-out budget
- 38 of 40 desks taken in week one

— Photo from opening week; fit-out costs are pre-audit.

Unit economics · FY26

Payback shortened in every segment.

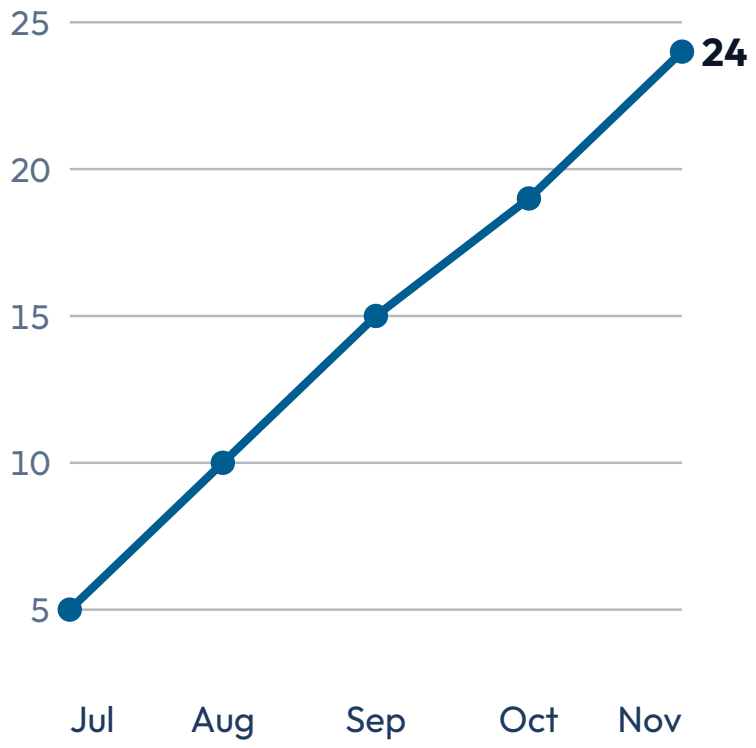

SEGMENT	CAC	MARGIN	PAYBACK
Enterprise	$48k	82%	14 mo
Mid-market	$12k	76%	9 mo
SMB	$2.1k	71%	5 mo
Self-serve	$310	88%	2 mo

9 mo

blended payback, down from 13

Hiring · H2

Engineering hiring ran ahead of plan every month.

OFFER ACCEPTANCE

Customer mix · FY26

Three segments now carry most of the revenue.

Enterprise	46%
Mid-market	31%
SMB	23%

- Enterprise grew fastest
- Mid-market is steadiest
- SMB is the churn risk

Quarterly detail · FY26

Q3 carried the year.

QUARTER	REVENUE	MARGIN	HEADCOUNT
Q1	$12M	38%	210
Q2	$18M	40%	224
Q3	$26M	44%	231
