Chart form kernel · bar, quadrant, risk-matrix, radar

A chart is a Lattice

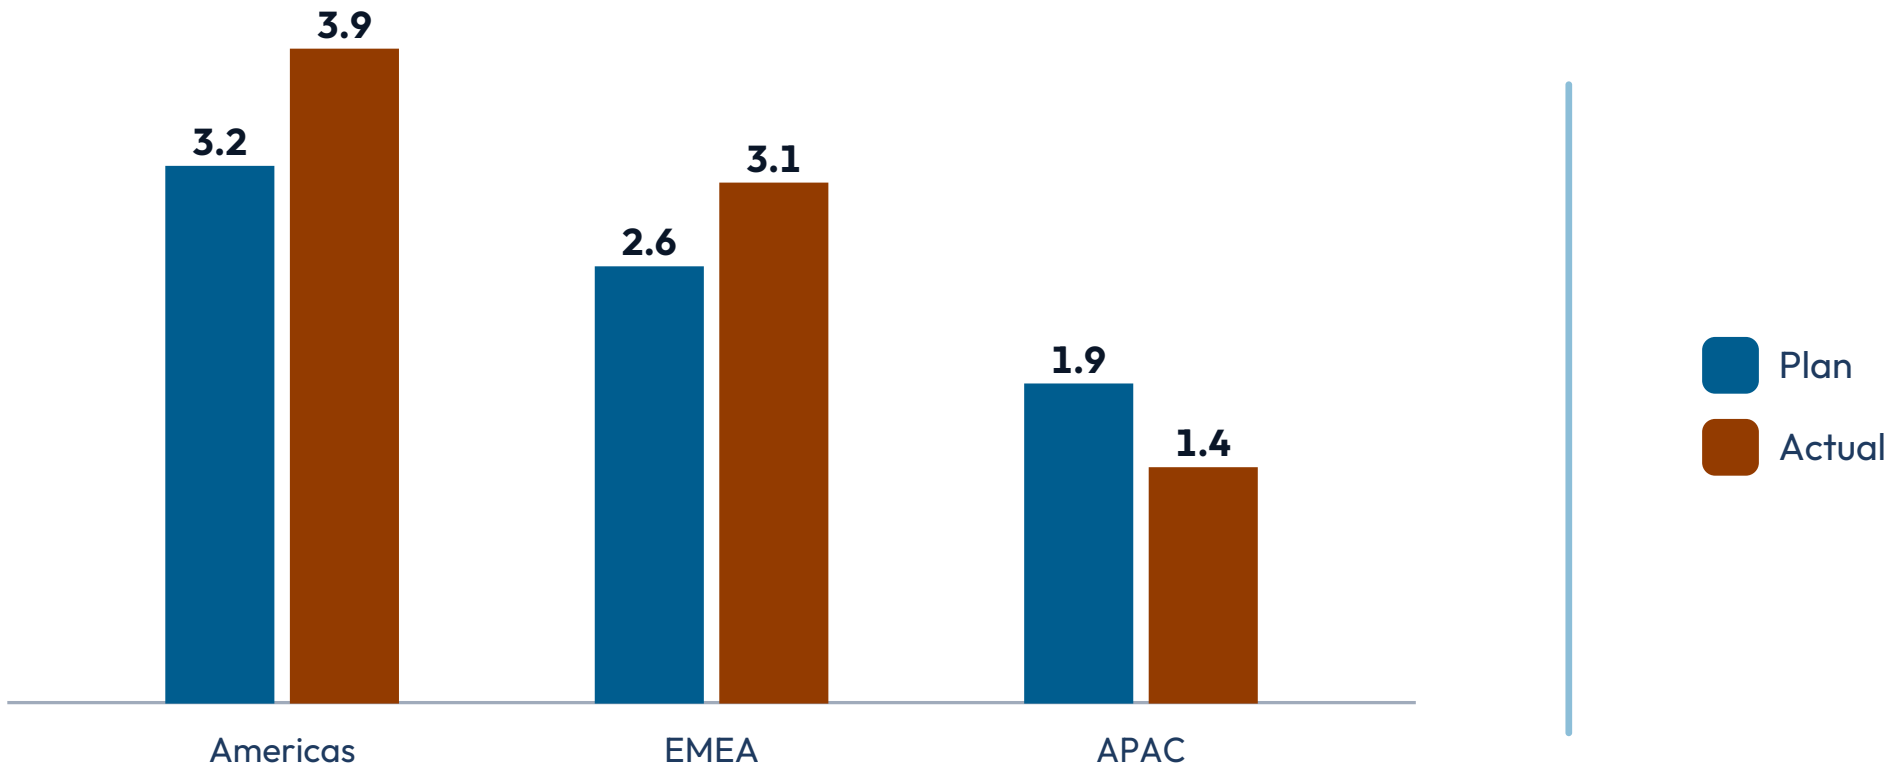

On a page read on a phone, the kernel draws each chart once, on a canvas the shape of its box: the plot, its axes, its key and its notes each take the room their text needs at its role size.

Revenue · FY26

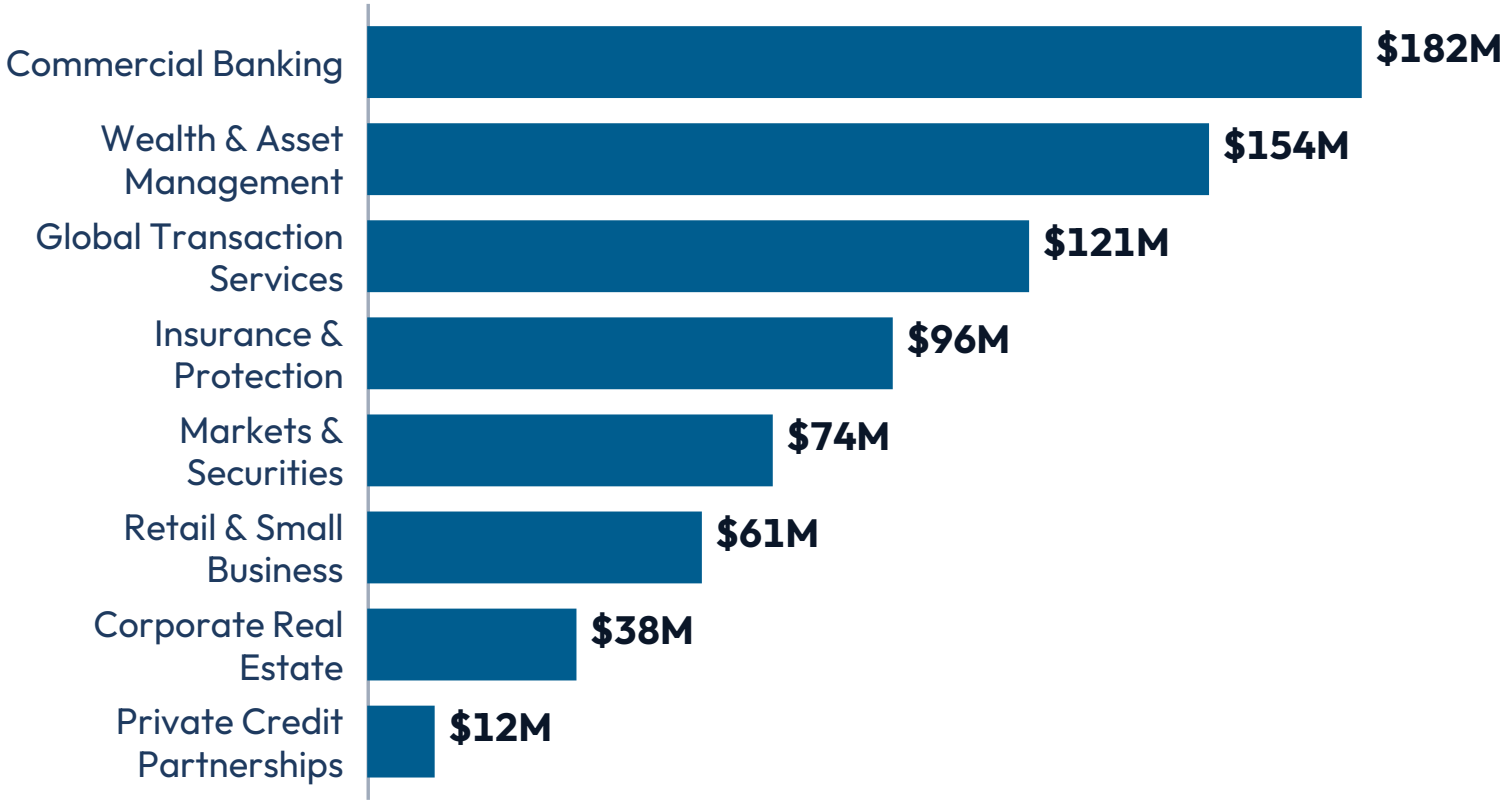

Growth is concentrated in two regions.

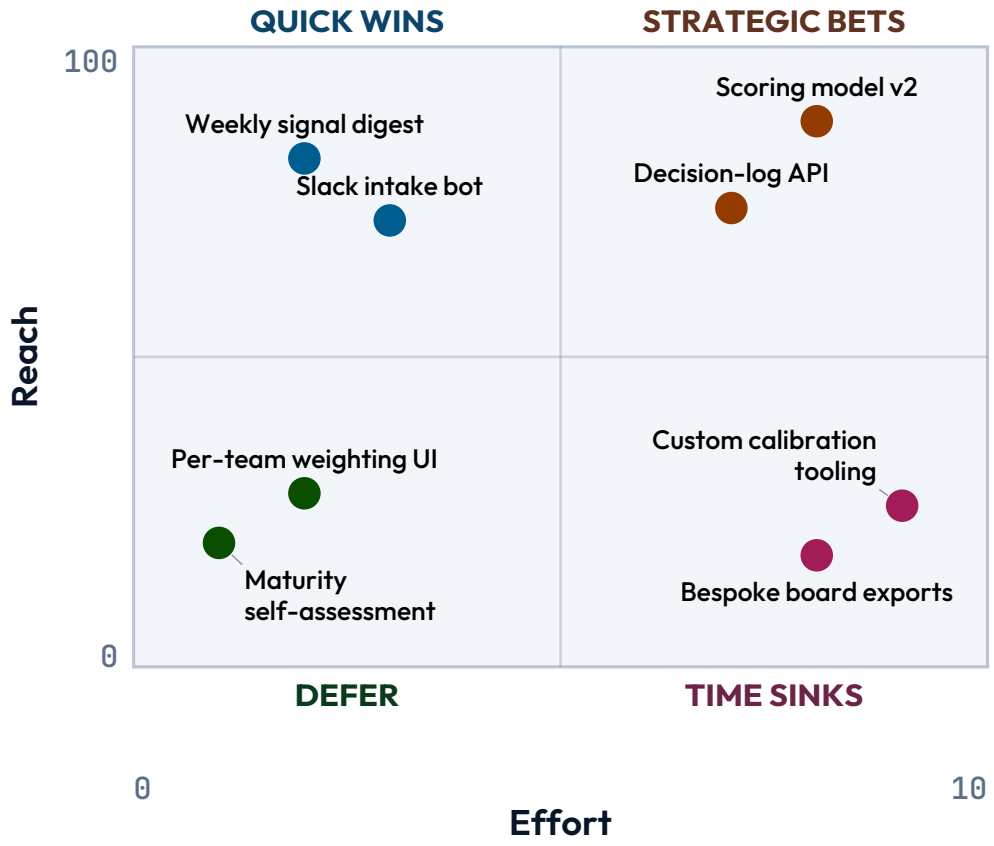

We beat plan everywhere but APAC.

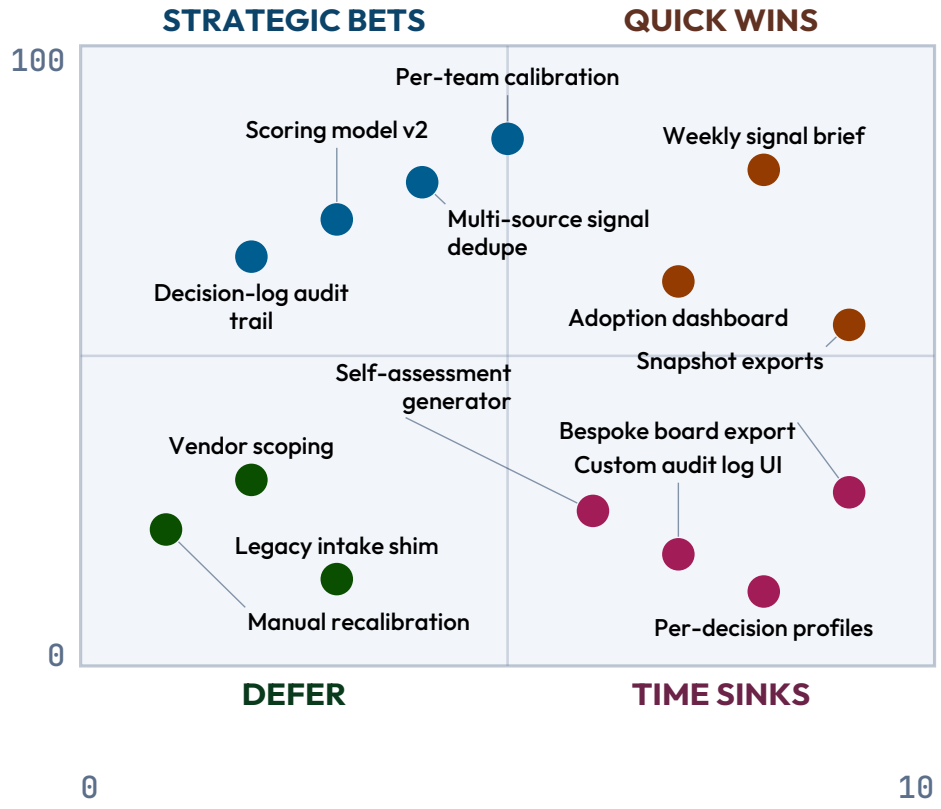

Every unit named in full, nothing abbreviated.

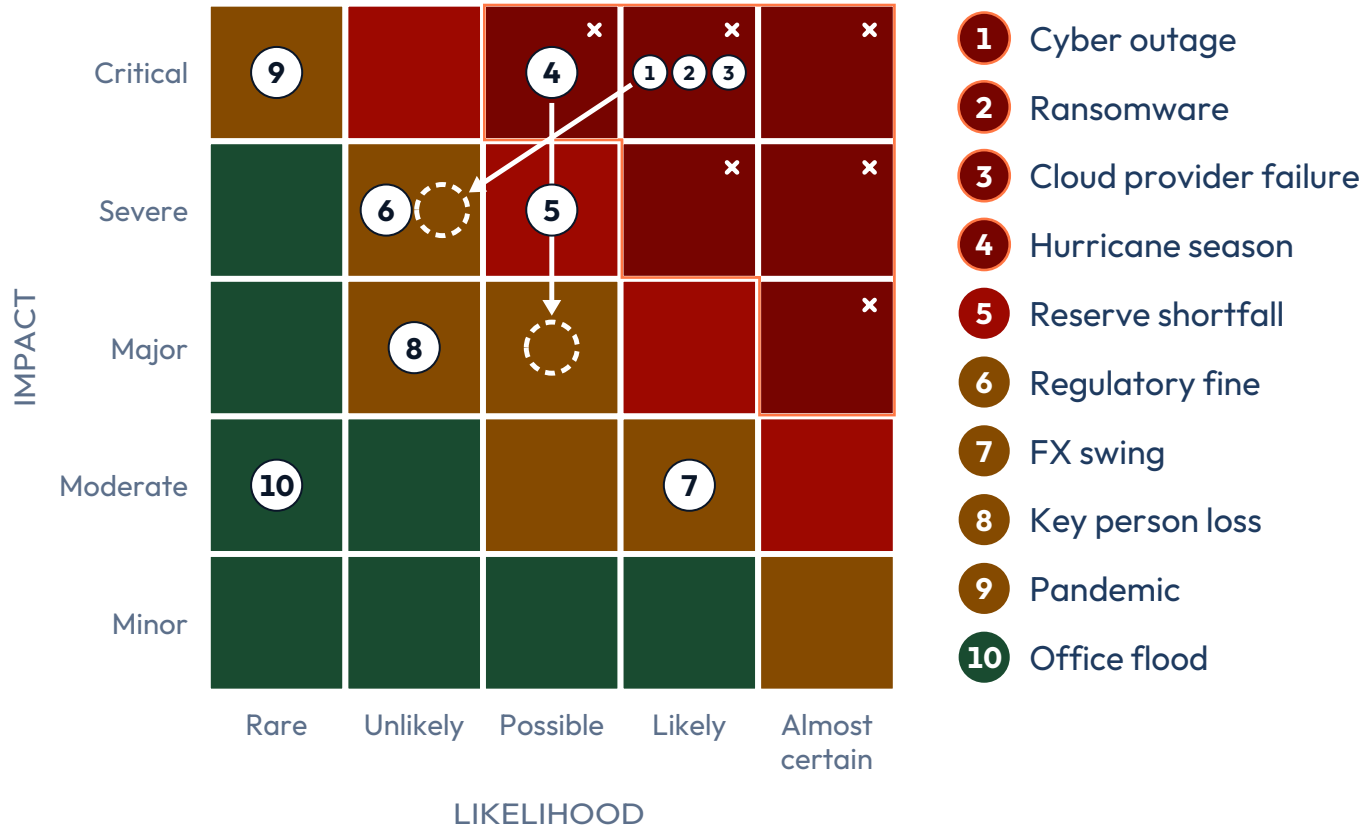

The quadrant scatters items on two axes.

Fourteen initiatives, one owner.

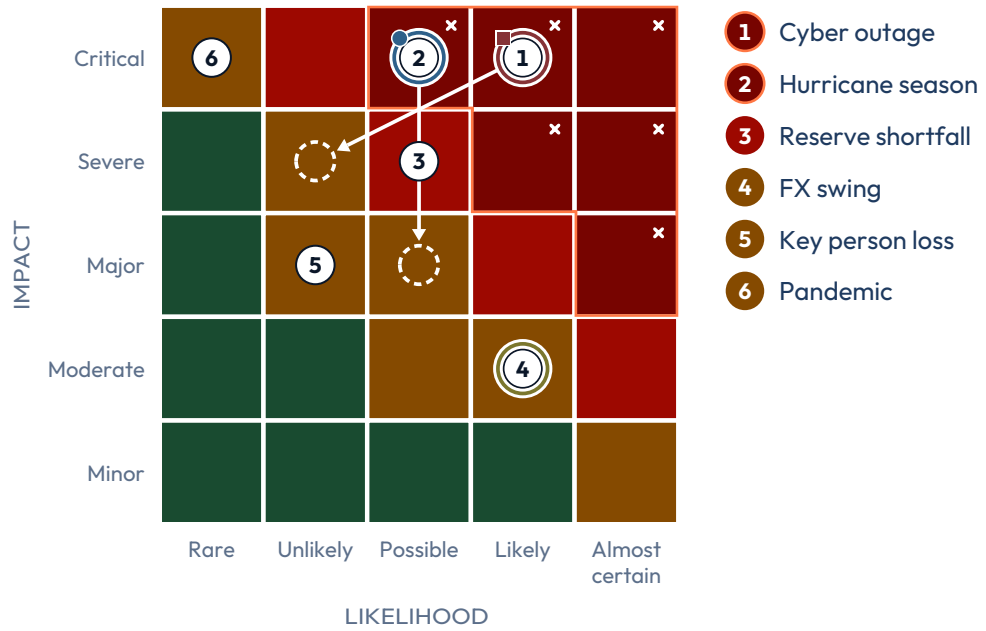

Ten risks, three in the same cell.

Enterprise risk register · Q4 2026

Cyber and hurricane risk sit in the red; both have a plan.

1 Reinsurance caps the loss

2 Plan cuts likelihood to unlikely

3 Unhedged since March

Vendor scorecard · 2026

Meridian leads on performance and security.
