

FIX • INVENTORY • PORTRAIT

# The inventory holds together across a split.

A portrait page takes one row at a time. The insight closes the run once, and every look keeps its marks on the row they belong to.

INVENTORY · LEDGER

# The ledger closes on its insight.

First entry →

# The ledger closes on its insight.

---

## 01 First entry.

One-sentence description.

Second entry →

# The ledger closes on its insight. (cont.)

---

## 02 Second entry.

One-sentence description.

Third entry →

# The ledger closes on its insight. (cont.)

---

## 03 Third entry.

One-sentence description.

**The takeaway lands once, after the last row.**

INVENTORY TIMELINE

**The timeline keeps its  
dot on the row.**

First entry →

# The timeline keeps its dot on the row.

---

**1** First entry.

One-sentence description.

Second entry →

# The timeline keeps its dot on the row. (cont.)

---

## 2 Second entry.

One-sentence description.

Third entry →

# The timeline keeps its dot on the row. (cont.)

---

## 3 Third entry.

One-sentence description.

The takeaway follows the last row here too.

INVENTORY EDITORIAL

# The editorial centers its row.

First entry →

# The editorial centers its row.

---

First entry.  
One-sentence description.

Second entry →

# The editorial centers its row. (cont.)

---

Second entry.  
One-sentence description.

Third entry →

# The editorial centers its row. (cont.)

---

**Third entry.**

**One-sentence description.**

*The sidebar takeaway prints once.*
