KEY INSIGHT

EMEA's three late deals are the whole quarter's growth.

REVENUE MIX · FY26

Services outgrew licenses for the first time.

- Services crossed licenses in March
- Support margin is the steadiest line
- Fold training into services

KEY INSIGHT
The mix shift is structural, not seasonal.

The new office opened on time and under budget.

Forty desks, two studios and a roof terrace, fitted out in eleven weeks.

- 11 weeks from lease to open
- 6% under the fit-out budget
- 38 of 40 desks taken in week one
