

CHART • STATUS VOCABULARY

Status words agree

A status word colors the same way wherever the engine accepts it.

KANBAN · CAPITALS

A capitalized status now tints its card.

Capitals used to paint an untinted card.

A pilot bar now wears the pilot color.

Bar and pill both read informational; the bar used to stay on slot 1.

Same word, same color.

*The pill keeps your spelling; the color
comes from the lowercase word.*
