FEATURE · THE IMAGE PLUGIN

Pictures you can set like the deck

One record describes the picture; the slide decides where it goes

SEAT · THE IMAGE SLIDE

The record becomes the layout's photo.

An `image` slide makes the picture its panel and reads the photo's shape. The finish here is `nimbus`, the deck's own blooms.

FRAME · MAT

A gallery mat, with the title shown.

The lake at dawn

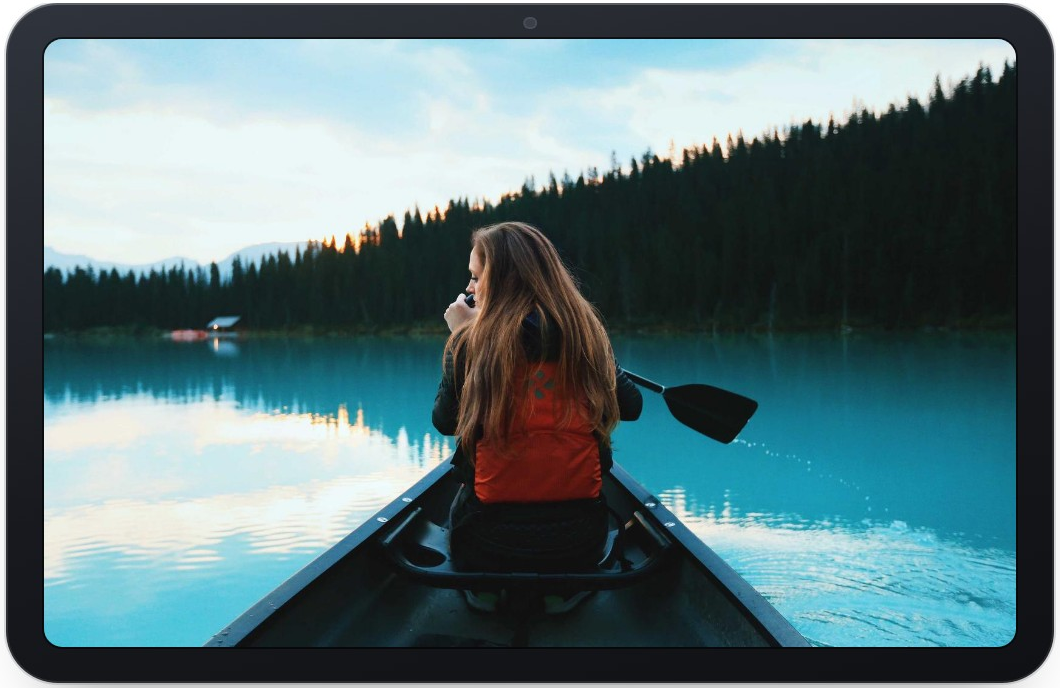

FRAME · KEYLINE · DUOTONE

One accent hairline, and the picture in the accent.

FRAME · DEVICE

A screen bezel for product shots.

FRAME · CORNERS · GRAYSCALE

Registration brackets, and the picture in grays.

FRAME · FLOAT · HALO · DARK

Lifted on a shadow that stays dark on a dark theme.

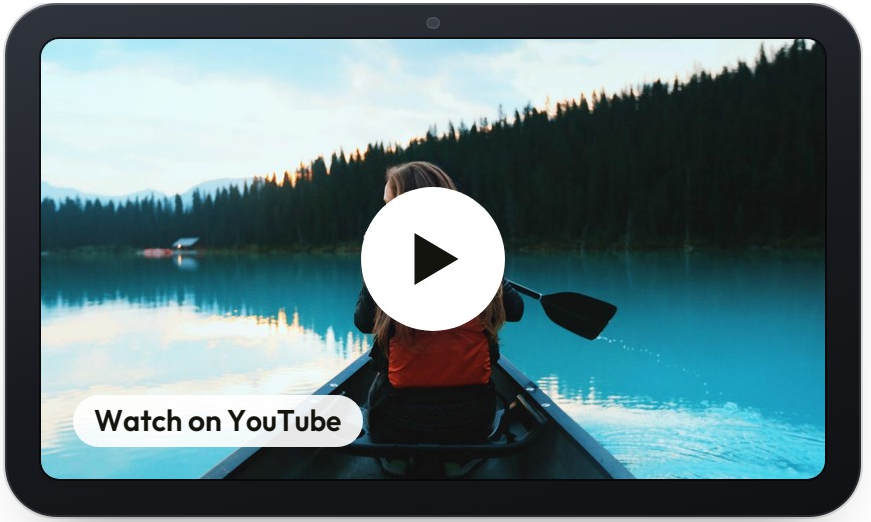

SEAT · BLEED · MERIDIAN

Or the slide's own background.

SHARED · A CLIP

A clip takes the same frames and finishes.
