NET DOLLAR RETENTION

118%

Every top-twenty account expanded this year.

How the rollout reaches every region.

STEP 01

Pilot in one region with a named owner.

STEP 02

Measure adoption weekly against the target.

STEP 03

Extend to the next two regions in the quarter.

STEP 04

Hand the playbook to regional leads.

Three bets for next year.

Enterprise depth

Grow seats inside the accounts we already serve.

Mid-market reach

Win new logos with the partner channel.

Platform trust

Ship the security review every buyer asks for.

Where each region stands.

REGION	ARR	GROWTH	CHURN
North America	$22.4M	28%	4%
EMEA	$14.1M	35%	5%
APAC	$8.3M	41%	7%
LATAM	$3.8M	19%	9%

Build the data platform, or buy one.

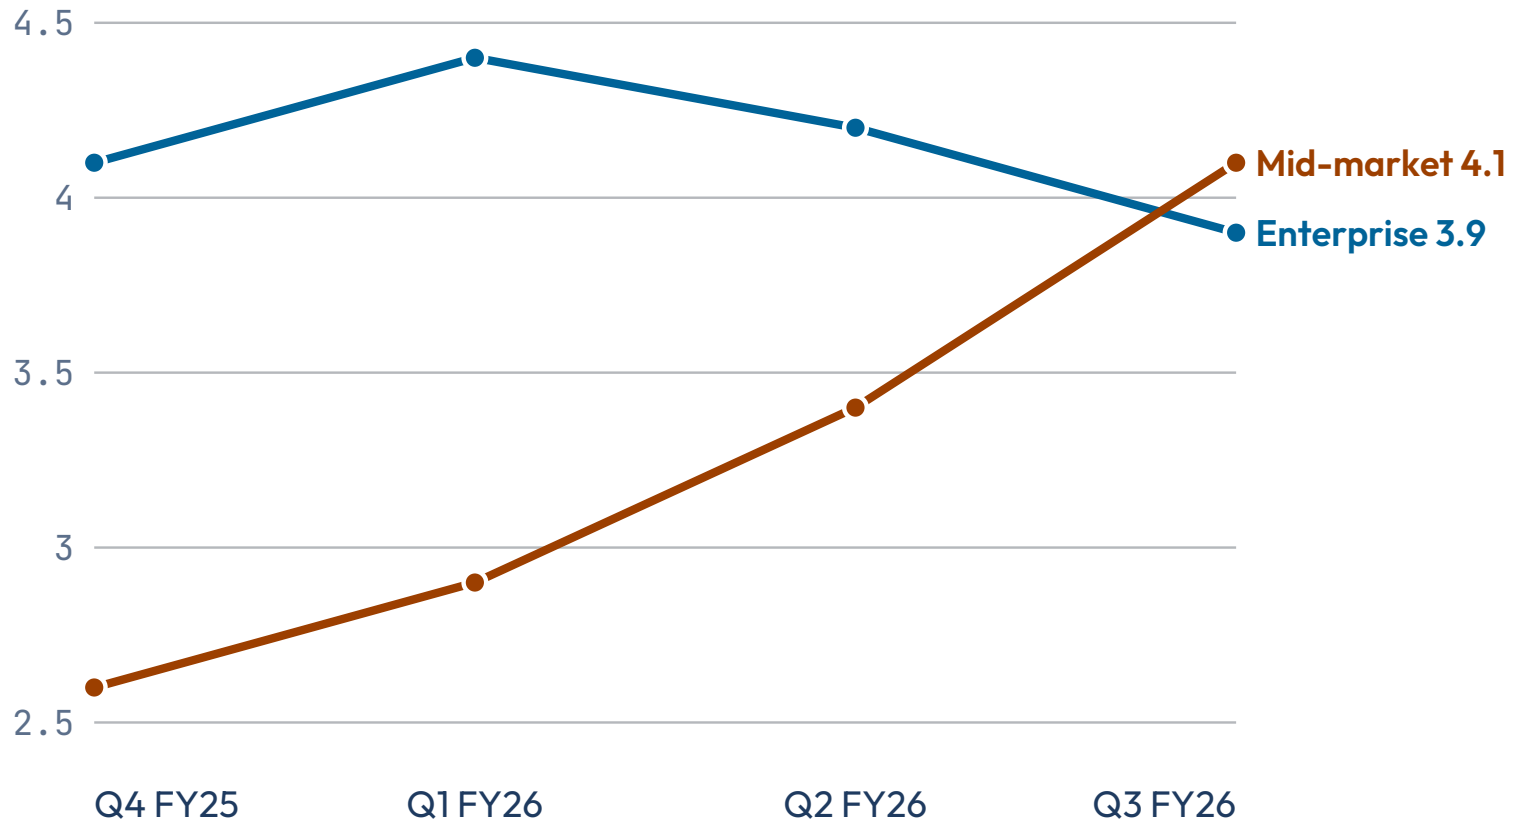

BUILD

Full control of the model, but eighteen months before the first dashboard ships.

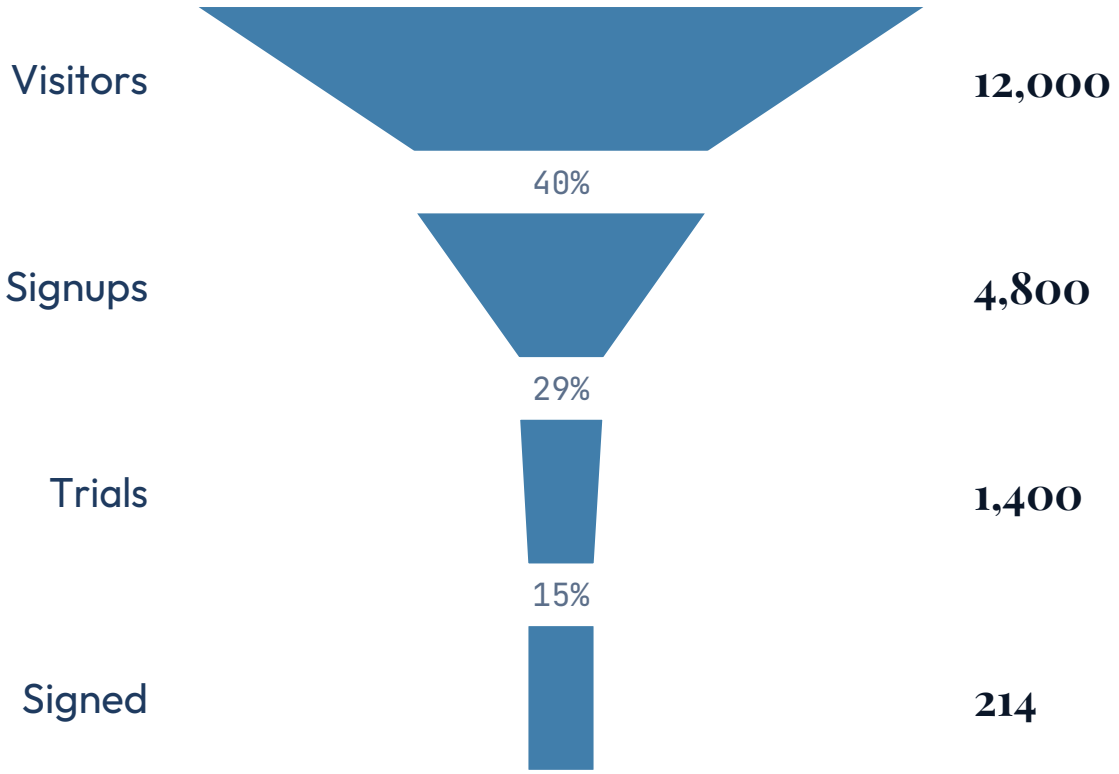

BUY

Live in one quarter on a proven vendor, with our engineers freed for the product.

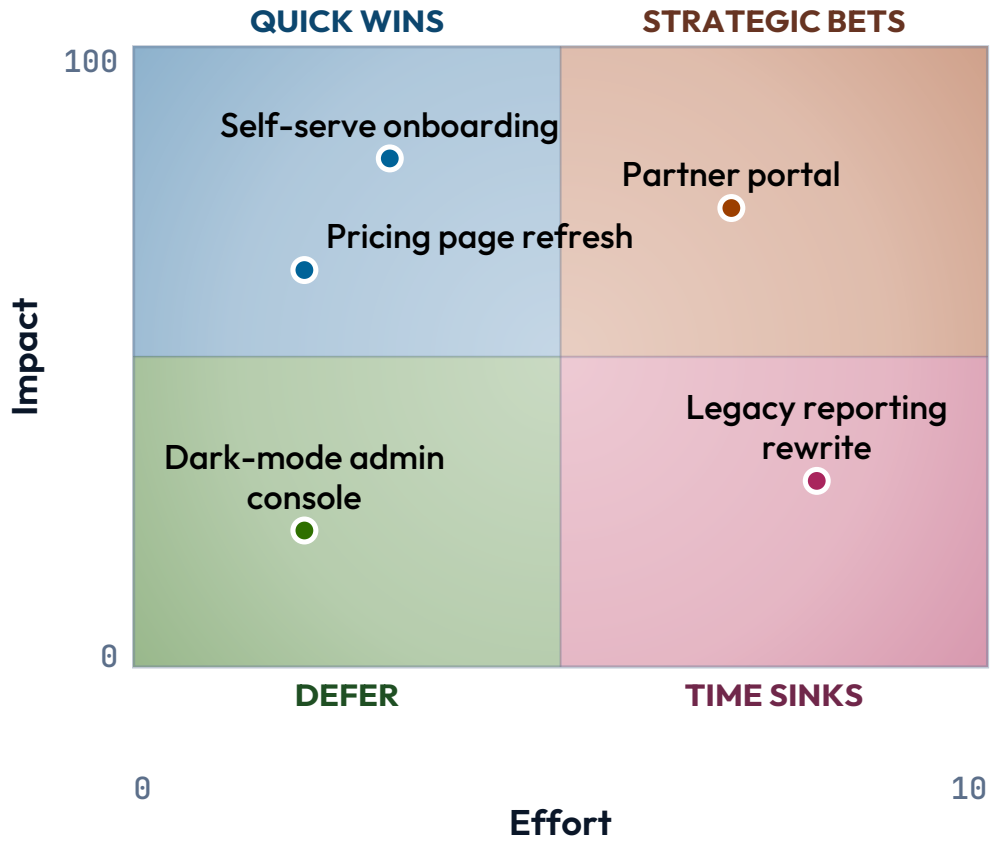

Mid-market grew into the gap enterprise left.

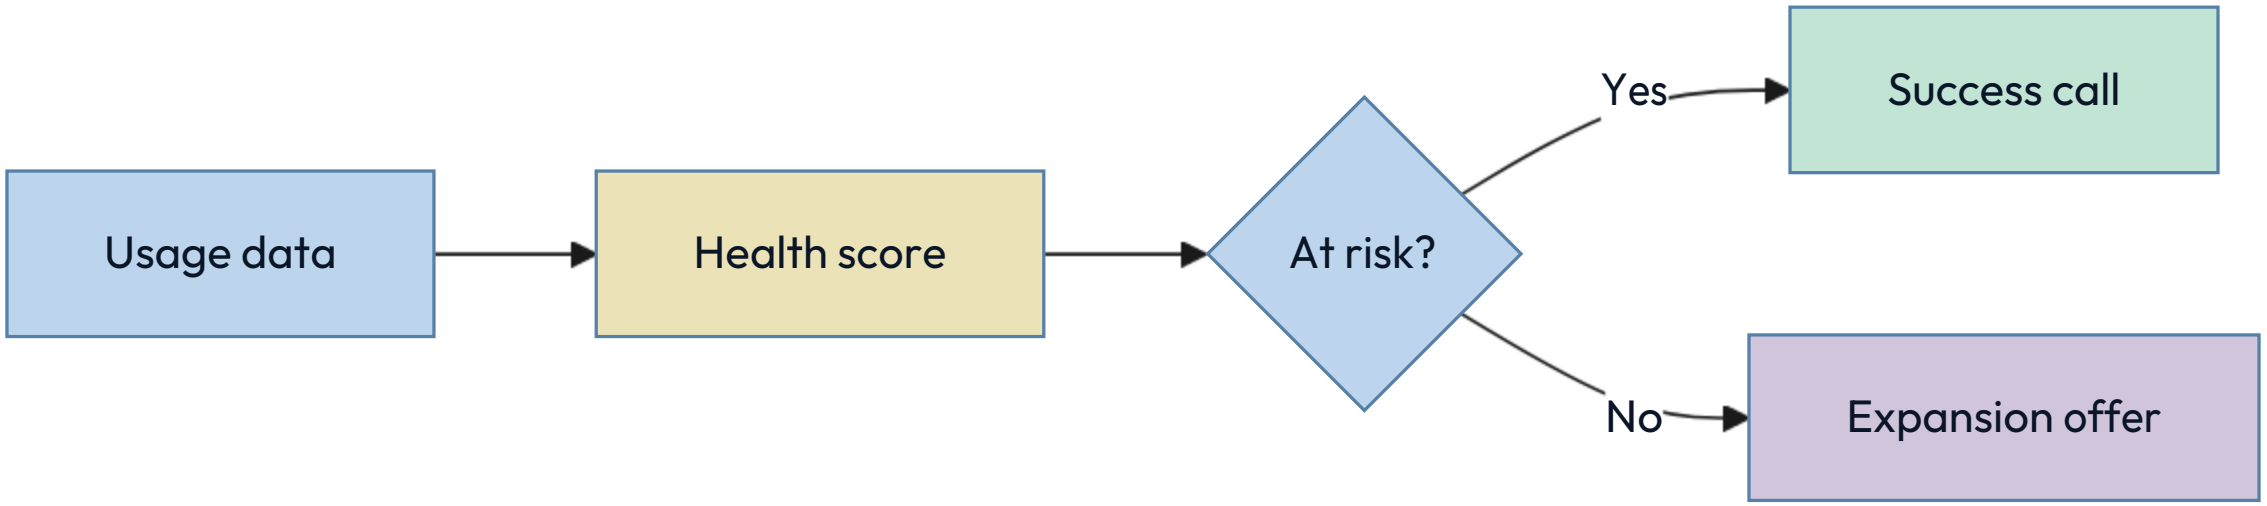

Where the pipeline drops off.

Which initiatives earn the next quarter.

How a signal becomes a decision.

The one call that starts a trial.

```
const trial = await client.trials.create({
  plan: 'growth',
  seats: 25,
  days: 30,
});
```
