Q3 BOARD REVIEW

Take the deck with you.

*Every slide, the appendix, and the workbook
— before you go.*

Scan to open

REVENUE MODEL

The full build is in the workbook.

Every line on the prior slide traces to a driver you can open — pricing, seat expansion, net revenue retention — three scenarios off one shared set of assumptions.

FIELD NOTES

Read the full write-up.

A code needn't be a URL — force any string with the *qr* key. This one carries a short memo the audience can pocket and read later.
