PANES · HEADER, FOOTER AND PAGE NUMBER STAY THE SLIDE'S

A pane brings its body, nothing else

PIPELINE REVIEW · Q3

One page number per slide, not one per pane.

WHAT MOVED

- EMEA closed three late deals
- APAC renewals slipped a quarter
- Americas held its run rate

BY REGION

REGION	Q2	Q3	Δ
EMEA	4.1	5.3	+29%
APAC	2.8	2.8	0%
Americas	6.0	6.1	+2%

SAME RULE, STACKED

Rows share the slide's footer too.

WINS

- Three late EMEA deals closed
- Two renewals pulled forward

RISKS

- APAC renewals slipped a quarter
- One large Americas deal is on hold

OPTIONAL TITLES

The title is the only thing a pane adds.

A pane with no-title still has its body

The heading stays in the document

PAGINATION OFF

A slide that opts out shows no number at all.

- Opting the slide out removes its number
- The panes had none to begin with

REGION	Q3
EMEA	5.3
APAC	2.8

One footer, one number
