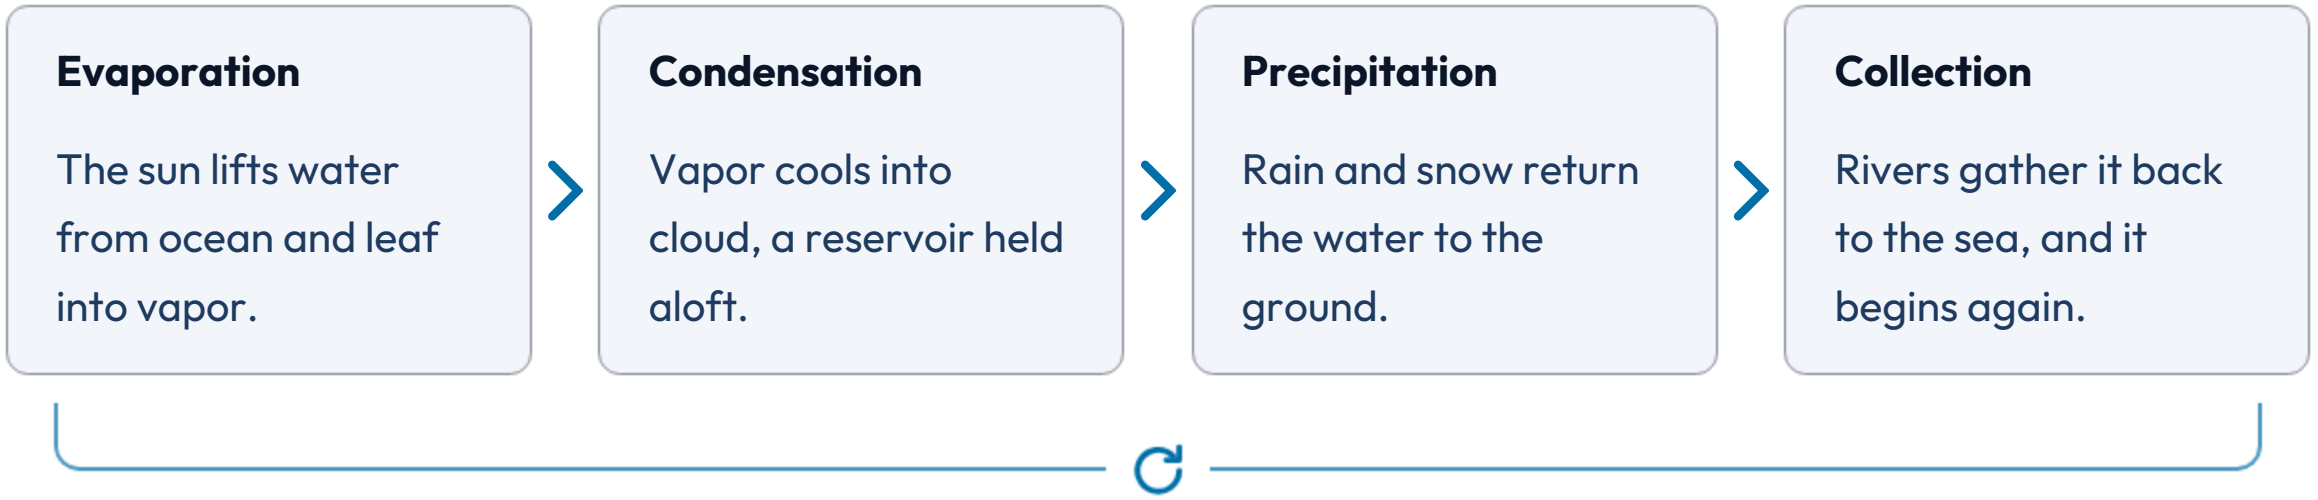
2 COMPONENTS

# progression

Progression — ordered movement through stages or time.

THE WATER CYCLE

# Nothing is spent — only moved.



# Steps promise an order and keep it.

STEP 01

**Name the step**

A verb-first title and one clause of body.

STEP 02

**Keep steps parallel**

Same shape every step, or sequence breaks.

STEP 03

**Number honestly**

Order is the promise this layout makes.

STEP 04

**Stop at five**

Six fits; seven is two slides.
